PERHAPS you have not realized how vitally important the corset clasp is. Seriously, we believe that **ROYAL WORCESTER** Corsets made with the patented O-I-C clasp truly give the maximum of comfort, service and style—and they are moderately priced. Front lace or back lace models.

Mirror Reflections

are often tell-tale, revealing a few figure defects however small. With **BON TON** corsets you screen the faults and mold your form to lines of perfect grace and elegance. The **BON TON** corsets accomplish miraculous things—but not without the aid of the O-I-C non-pinching corset clasp with the non-slip stud.

THE upward glance of the young woman proves that not only the name "**BON TON**" creates most pleasant thoughts, but that the real test is in wearing a **BON TON** like the one she has on. It fits

with kid glove nicety. Smart, smooth, comfortable. Gives the fashionable lines—just the kind every woman adores—and has the patented O-I-C corset clasp.

THE beautiful woman pictured here did not become so by chance. She was wise enough to realize that good health, correct body poise, and a stylish figure result from wearing **BON TON** corsets made with the patented O-I-C clasp. Let us tell you fully about this modern invention.
