### ANGORA

Mrs. Gordon Temple left Wednesday for Montana in response to a telegram telling of the serious illness of a sister.

L. D. Carmine and wife arrived home last week from Deadwood, Hot Springs and other points of interest in South Dakota.

P. B. McCanley and family were Bridgeport business visitors Tuesday of last week.

George Travis of Letan, was in this vicinity last week. Mr. Travis worked on the Dove ranch for several years.

A baby daughter was born to Mr. and Mrs. Julian Lorenz Friday of last week.

Mrs. Elmer Morehead and children have returned from a visit to Grand Island. Mrs. Morehead's mother, Mrs. Mier, accompanied them to Angora for an extended visit.

B. H. Marsh and son, Clarence, of Roswell, N. M., are here visiting Mr. Marsh's son, Archie Marsh and wife, who live six miles east of Angora. Clifford Goad, a brother-in-law of Archie's, of Clements, Kas., is also a guest at the Marsh home.

Mrs. G. W. Berry of Loveland, Colo., was here last week for a brief visit with relatives. The Berry's like their new home in Colorado very much. Mrs. Berry went from here to Kansas for a visit with her parents.

There was a reunion of Kansas people at the George Byers home at Bridgeport Sunday. The F. N. Maybelle, B. E. and R. K. Maybell families were there from Angora. The Byers and Maybells were friends and neighbors in Chase county, Kansas, for many years.

C. D. Henderson met with a painful accident Tuesday of last week when both bones of his left limb were broken. Mr. Henderson was helping unload groceries at the back door of the Venell store. The cellar door was open and was up against the outside door. He did not notice the door being open and the first step threw him to the bottom of the cellar. Dr. C. Hershman of Alliance, was called and set the broken bones. Mr. Henderson was taken to Alliance to St. Joseph hospital where he will probably be for several weeks.

There was a large crowd at the Paul Guszak home Wednesday of last week when Mrs. Guszak and Miss Sophia were hostesses to the Angora Community club. The time before dinner was taken up with the

business session. At one o'clock there was a splendid feast such as the Community club puts on at each meeting. The study hour was led by Mrs. P. B. McCauly. The lesson, "Feeding of Children" was most interesting. Mrs. F. M. Maybell and daughter, Marie, of Elmdale, Kas., were guests of the club. It was voted to have only one meeting each month until further notice. The next meeting will be held at the home of Mrs. Leo Lawellen with Miss Marie Daxon as leader of the study hour. The lesson will be "Suggestions for Picnics."

#### Paine—Sherlock

On Wednesday, June 30th, occurred the marriage of Miss Ina Paine of Northport and John Sherlock of Angora. Mrs. Sherlock has many friends in her home town who are wishing her much happiness and congratulating Mr. Sherlock for having won her for his bride. Mr. Sherlock is a prosperous and industrious young man. He owns many acres of land around Angora and has for his home place, the Powell farm which he bought last year. The best wishes of the people are with them.

Mrs. Lyle Carey delightfully entertained the Tri C club Thursday afternoon of last week at her home fourteen miles northwest of Angora. Mrs. Carey made several kodak pictures of the crowd. At five o'clock there was a dainty lunch set on a long table in the yards. The members had a grand good time and hope Mrs. Carey will entertain again soon. The members present were Mesdames Dove, Perkins, Lewellen, McCraskey, McCanley, Venell, Thompson, Kelly, Maybell and Carey. Mrs. F. M. Maybell and Miss Marie Maybell of Elmdale, Kas., were guests of honor. Mrs. Jim Jefferson will entertain August 5th.

Another indication of how times have changed is, when you were a boy a fresh egg for breakfast was a common occurrence. Now it marks an epoch in a human life.

#### SPENT SAVINGS OF A LIFE TIME

Searched For Relief From Rheumatism For Two Years—Restored By Tanlac

"It's a fact, I have not been able to hit a lick of work in two years, but since taking Tanlac I have been restored to complete health and am feeling so fine I am going back to my old job again," said Edward

Canute of 2826 Girard avenue, North, Minneapolis, Minn., recently.

"About two years ago the rheumatism got the best of me and laid me out completely and I had to give up all work. The rheumatism was all over my body but it was worst in my shoulders, arms, back, neck and legs. My arms and shoulders pained me just about all the time and the muscles became so sore and stiff that at times I was unable to raise my hands to my head. Why, of mornings it was all I could do to dress myself. My back hurt me so that it was agony for me to stoop down or even bend over. Sometimes my legs were swollen so I could hardly walk, in fact, every move I made caused me intense suffering. I could get no ease either standing, sitting down or lying down and I don't remember getting a single good night's rest during the past two years. I was almost helpless and was in pain of some kind all the time and I knew I couldn't hold out much longer. Nothing I tried did me any good and I spent the savings of a life-time, but it was all money thrown away.

"When I commenced taking Tanlac I couldn't see how it could do me much good after everything else had

for it was only a few days until I felt my pains easing up. In all I took five bottles of Tanlac, and it's a fact, I actually believe the rheumatism was entirely left me for good, for I never feel a sign of it. The swelling has all gone from my legs

and the stiffness has left my joints and muscles and I haven't a pain of any kind. I am stronger and more active than I have been in many years and I am feeling so fine I can't tell I ever had any rheumatism at all. I am going back to my old

work again and I wouldn't take anything in the world for the good Tanlac has done for me."

Tanlac is sold in Alliance by F. E. Holsten, in Hemingford by Hemingford Merc. Co., in Hoffman by Mallery Grocery Co.

*There's always room at the top*

for Highest Possible Quality at Lowest Possible Price

## RAISING THE LIMIT

MANY a smoker thought the limit had been reached. Could cigarettes be improved? We thought so. We knew there was room at the top for a better cigarette. But it would have to be something entirely new.

And it is—it's Spur.

An original blend, that makes the rich Oriental tobaccos richer by pleasing combination with Burley and other home-grown tobaccos. A new method of rolling the satiny imported paper by crimping, instead of pasting. A smart "brown-and-silver" package, with triple wrapping to keep Spurs fresh.

Spur offers you tip-top quality at rock-bottom price. What do you say?
