## ANNOUNCEMENTS

### FIRST BAPTIST CHURCH

Sunday school next Sunday at 10 a. m. Church service at 11. Sermon subject: "Watch and Pray." The union service at 8 p. m. at the roof garden, Dr. Minor Morris is the speaker of the evening. This will be the last of the union services for the summer and it is hoped that a large attendance will be present. If it rains the service in the evening will be held in the Methodist church. Everybody welcome at all of these services.

J. ORRIN GOULD, Minister.

### METHODIST CHURCH

Next Sunday is the last of the present conference year. The pastor will speak at the morning service on "The Purpose of the Church Today." In the evening, Dr. Minor Morris will speak on the roof garden at 8 o'clock. In case of rain, the service will be held in the Methodist church.

The following Sunday, August 29, the pastor will be attending the annual conference at Valentine, and there will be no preaching service either morning or evening, unless such should be arranged for later by the local official board, in which case it will be announced through the papers.

The conference year closes well. The Sunday school has shown an increase, the League has been successful, the choir has rendered splendid service throughout the year, and the ladies organizations report a fine year's work. Seventy-one new mem-

bers have been added to the church roll. Some have been lost by death, removal, and withdrawal to other churches, the membership roll has been carefully revised, and at the present time, there are just 300 members. Plans have been drawn for the new church, the money partly subscribed, the parsonage is being built, and all affairs of the church are in a healthy condition. However, at best, it has been a year of getting ready to do things. When the church building is completed, there will be a large opportunity to serve the community religiously.

The best of all, we have had the hearty, prayerful support of the church throughout the year in every effort that has been made. Every proposal we have made to the Official Board has been cheerfully adopted. So we are happy to say at the close of this year's pastorate, that in no year in our ministry have we had more loyal and whole hearted support from a church than this year. This support has made some achievement possible.
