ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Alliance people endorse Doan's Kidney Pills. Ask your neighbor—You can rely on their statements.

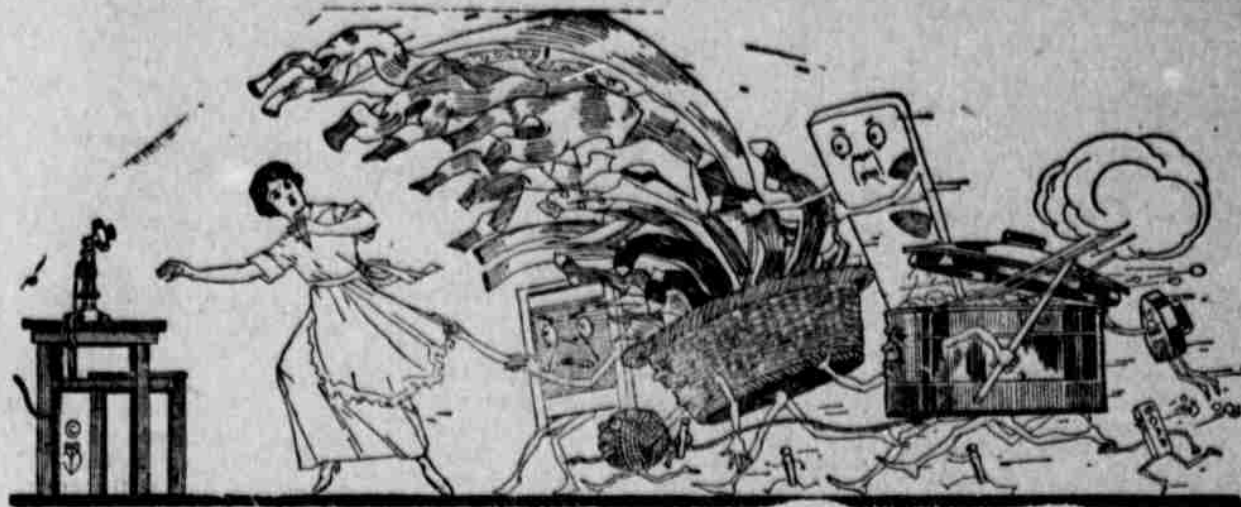

Mrs. F. W. Buchman, 310 Laramie street, Alliance, says: "I certainly think Doan's Kidney Pills are a fine medicine. I was pretty well run down with kidney trouble. I had a heavy dull ache in my back. My back was weak and lame and I couldn't stoop over without sharp pains shooting through it. I was restless at night and mornings I felt so worn out I could hardly do my work. Many times I became dizzy and had to sit down. Spots came before my eyes and for days I had a steady ache in the back of my head. I bought Doan's Kidney Pills at Brennan's Drug Store and a few boxes completely relieved me. Doan's put me in good health and I always recommend them to anyone I know suffering as I did." (Statement given June 8, 1916).

On June 9, 1920, Mrs. Buchman said: "I am very glad to confirm the statement I made in 1916 in praise of Doan's Kidney Pills. The wonderful benefit I derived from their use has permanently made me free from kidney complaint." 60c at all dealers. Foster-Milburn Co., Buffalo, N. Y.

This arresting presidential candidate on charges of speeding, reads like small town stuff. One might expect it to be pulled and played up in alleged metropolitan press of a town presided over and operated by a thirty-million-dollar-tight-wad club—that kind being long on small town stuff—but he who has turned the circuit a couple of times would hardly expect such stuff to be pulled by real people.—Record.
