### "LOST ALL HOPE" STATES MOTORMAN

Thought He Would Never Be Well, But Gains 20 Pounds Taking Tanlac and Feels Fine.

"I honestly believe I could not have lived much longer if it had not been for Tanlac," said M. M. Loper, a well-known motorman living at 901 Sixth St., Burlington, Iowa, "but now I have actually gained twenty pounds in weight and am feeling as happy as a boy again."

"My stomach, kidneys and nerves were all upset and I had lost weight until I was down to a hundred and thirty pounds. I became alarmed at my condition and I did everything imaginable, but instead of getting better I kept getting worse until I thought there was no hope for me. My kidneys worried me day and night and I suffered constant pain across the small of my back. My appetite had left me and I ate so little I was nearly starving to death. Gas would form on my stomach and close in around my heart until it palpitated terribly, and often I had nervous headaches that were almost more than I could stand. I got but little rest and sleep and it looked like my age had about gotten the best of me.

"The best favor I ever had done me in my life was when a friend of mine recommended Tanlac to me. I got it just in the nick of time and it has simply made me all over again and I can hardly realize what fine health I am enjoying. Talk about eating, why, I eat three of the biggest kind of meals every day and I am never bothered afterwards at all. My kidneys don't give me a particle of trouble and the pain across my back has gone. The headaches are a thing of the past and my nerves have steadied down to where I now sleep like a child and wake up feeling full of life, strength and energy. Tanlac will do the work, I can say that much, and I am glad to recommend it to others as the greatest builder I have ever seen or heard of."

Tanlac is sold in Alliance by F. E. Holsten, in Hemingford by Hemingford Merc. Co., in Holland by Maltery Grocery Co.

Overalls have just reached Paris. Yet that's supposed to be the town that sets the fashions.  
It is remarkable how "prominent" a person has been the moment he or she gets into trouble.

# What Can You Do With A Lease?

Perhaps you have never been sufficiently interested in the oil game to investigate just what you will have in case you decided to buy a lease. If so, then we are talking to you in the dark. Here are just a few of the many things that will be open to you if you invest in an oil lease on Box Butte County land:

You can sell it at a reasonable margin of profit—because it will undoubtedly increase in value as operations commence.

You can drill your own well or wells on it.

You can form a syndicate among friends and commence operations.

You can organize a company of your own.

Or you can put it away and HOLD IT until someone else drills into oil sufficiently near you to make its value jump skyward.
