Booze Found Buried in Graveyard Near Bayard-Alliance May Be Next on List

State Sheriff Gus Hyers and his gang of booze hounds have finally penetrated western Nebraska, and although they are not remaining in one city long enough to do more than throw the fear of the Lord into the hearts of the bootleggers and home brewers, every little bit helps. They came to Scottsbluff from Bayard, and there are grounds for hoping that they may stop off in Alliance for a few hours before returning to their usual haunts around Omaha and Lincoln, where there are movies every night and something doing in the daytime.

The Platte Valley Daily News describes operations of the state sheriff and his gang as follows:

"As a result of an anti-booze campaign conducted in Scottsbluff by CAMPFIRE GIRLS State Sheriff Gus Hyers, who has under his direction State Deputy Sheriff's Smith and Fulton, \$600 in fines were assessed in County Judge DelaMatter's court Friday night,

"The clean-up in Scottsbluff resulted in a net being drawn over Sollie Wood and Clark Taylor, colored; and C. M. Russell, a traveling man from out of

"Nelson was arrested and charged with operating a fifty-gallon still, and according to State Sheriff Gus Hyers, the still was one of the largest found in this part of the state. He pleaded guilty, and took a fine of \$200. Sudduth owned the house in which the still was found, and he too, was assessed \$200 and costs.

"When Nelson was taken into custody, Harry Durnal and John Gotch came to the jail to see him. Evidences of illicit liquor were noticeable about them, Mr. Hyers says, and an investi-gation began which led to the discov-ery of half a pint of moonshine, and the knowledge that it had been concealed in the graveyard.

"Durnall and Gotch were each fined \$100 and costs for unlawful possession, Sudduth being taxed the same amount for his second contribution. "Interest in moonshine whisky has slumped in Bayard, since this inci-dent."

SCOTTSBLUFF ENTHUSIASTIC OVER ALLIANCE WRESTLER

Mortensen, the "Terrible Dane" from Alliance, won a nifty write-up in the Scottsbluff daily following his appearance in that city last Thursday evening, when he and Barnes filled in at the Elks' smoker in that city with a thirty-minute wrestling exhibition. The Scottsbluff fans, having been stung on wrestling matches since time immemorial, were slow to grow enthusiastic, but by the time the thirty minutes was over, they were as strong for Mortensen and Barnes as the Alliance

Eklund, who won one fall from the Dane in Alliance last Tuesday evening, has not yet signified whether he is willing to grant a return match. He agreed on leaving Alliance to consult his manager and let the Alliance man known by January 28. The time isn't up yet, and it is probable that a re-

turn engagement will be scheduled. Barnes wrestles Cowboy Johnson for Bayard this evening. Johnson is an Oshkosh man who has lots of courage. He has two or three times challenged Mortensen, and the Dane says that if he throws Barnes, he shall have

MUSIC AND FLOOR

THE BEST OF BOTH ARE UNQUESTIONABLY OURS. Dance at The Fern Garden Any Evening Except Sunday.

THE FERN GARDEN PLAN

In establishing the Fern Garden we believed there was a desire on the part of the public for a place where couples could go for a few hours of good dancing, with light refreshments available, at a not prohibitive price.

We have therefore decided to make a cover charge to everyone of 25 cents for the privilege of dancing or listening to the music, and we have put in force our regular Palm Room schedule of prices for refreshments.

Every Feature Was Planned For Your Enjoyment

Since the beginning of the Gern Garden we have spared no trouble and expense to make this room
