### MRS. AGNES WRIGHT DIES OF HEART FAILURE

Agnes C. Wright, wife of Samuel B. Wright, cashier of the Guardian State bank of this city, was found dead in her chair Saturday evening when her husband returned home about five o'clock. Death was due to heart failure. Mrs. Wright had been an invalid for some years.

Funeral services, conducted by Father Manning, were held at nine o'clock this morning at the Holy Rosary church. The deceased was born in Perry county, Ohio, April 12, 1879, and leaves her husband, Samuel B. Wright, of Alliance; two sisters, Mrs. C. R. Hambleton of Buena Vista, Colorado, and Sister Ethelberta of the St. Joseph hospital and one brother, Samuel Thompson of Delphos, Ohio. Mrs. Hambleton came from Buena Vista to attend the funeral.

Sheriff Miller left Monday noon for Gering, armed with a warrant for the arrest of J. C. Skipper, formerly a resident of Bingham. Skipper is charged with giving "no fund" checks. On November 6 he gave a check for \$36.45 to J. H. Vaughn and another for \$36.45 to the Alliance Auto & Tractor company. Judge Tash announced early in the year that he had turned over a new leaf and that hereafter he would not be a party to compounding a felony. If Mr. Skipper is brought back to Alliance, he will in all probability be held to the district court for trial. The usual procedure in the past however, has been to allow the offender to make good his checks, and do nothing further. The outcome of the case depends on whether Sheriff Miller turned over the new leaf as Judge Tash.

#### PRESBYTERIAN CHURCH.

What the Presbyterian church stands for: The Presbyterian church stands, as it has stood during its entire history for the unconditional sovereignty of God, for the Bible as the only infallible rule of faith and life, for simplicity of worship, representative government, a high standard of Christian living, liberty of conscience, popular education, missionary activity, and true Christian catholicity.

Theodore Roosevelt on the Bible: "Almost every man who by his life work has added to the sum of human achievement of which the race is proud, almost every such man has based his life work largely upon the Bible. Sometimes it was done unconsciously more often consciously, and among the very greatest men a disproportionately large number have

been diligent and close students of the Bible first hand. Lincoln, sad patient kindly Lincoln built up his entire reading upon his early study of the Bible."

Wednesday evening at 7:30 we are beginning a study course from the text book, "The Bible and Missions", by Helen Barret Montgomery. It will be of interest to trace the missionary spirit through the sacred Word. You will enjoy this study. Come. A. J. KEARNS, Pastor.
