Country offerings very light although price advances on the 10th brought out a little wheat in Kansas; reports that further advance of 5 or 10 cents will bring out considerably more. Trade in coarse grains not large but sentiment more favorable to buying side with country offerings limited and corn and oats receipts small in all markets. Seaboard bought some corn in west. In Chicago cash No. 2 red winter wheat 26-31 1/2c over March; No. 2 hard 8-10 1/4c over; No. 3 mixed corn 5-5 1/2c under May; yellow 4-5 1/2c under. Quaker Minister Is Grateful to Tanlac

Rev. Parker Moon

Nearly everybody in Southwest Missouri either knows or has heard of the Rev. Parker Moon, who for a full half century has devoted his life and talents to Sunday school and organization work for the Society of Friends or Quakers.

"Uncle Parker," as he is more familiarly known, came from fine old rugged Quaker stock, and there is not a better known or more highly respected citizen in that part of the state. In referring to his remarkable restoration to health by Tanlac, he said:

"About five years ago I suffered a general breakdown. My principal trouble was nervous indigestion. My appetite was very poor and my food seldom agreed with me, and I had to live on a very restricted diet. I suffered a great deal from headaches and dizzy spells; I had severe pains across the small of my back and was badly constipated most of the time. In fact, I was so weak and rundown I was not able to attend to my duties.

"This condition made me very nervous and I could not sleep at night. Frequently I would lie awake most all night and was in that condition more or less for five years. My physician said he could not do anything for me and suggested a change of climate. I then moved to Texas and went back and forth three times but did not get the relief I had hoped for. Finally, I got so bad off I was not able to get around with any degree of comfort. I was also told I had heart trouble.

"I had read about Tanlac and, as it had been very highly recommended to me, I decided to try it. I got a bottle and had taken only a few doses until I could notice a marked improvement in my condition. I noticed especially that I was not troubled any more with sour stomach after eating, which was a great relief.

"I kept on taking Tanlac until I fully regained my health. My appetite is splendid, I enjoy my meals and I do not find it necessary now to take any laxative medicines of any kind. I can sleep much better and am not nearly so nervous.

"I take great pleasure in recommending Tanlac to anyone who needs a good system builder, or who suffers with stomach trouble. I have recommended Tanlac to a great many of my friends and am pleased to reach others by giving this statement for publication."

Tanlac is sold in Alliance by F. E. Holsten; in Hemingford by the Hemingford Mercantile Co., and in Hoff and by the Mallery Grocery Co.
