

Authentic Styles For Men

Know What To Buy and Where

THIS Season differs from those of past years in many respects. After several months of fluctuating markets prices have stabilized on the better grades of clothing. There is no way of knowing the value of "maverick" brands. There never was a time when it was so important to know values—to know the kind of clothing you select. The price ticket means nothing—it is what you get that counts. The markets are filled with all kinds of clothing—good, bad and indifferent. That is why we say
