### Alleged Mail Thief Caught at Alliance Wanted in Missouri

Lincoln Star: Ernest Conrad, 55, who was arrested here by Night Marshal Stillwell on May 20 and who is now in jail in Denver awaiting trial on a charge of robbing the postoffice at Brush, Colo., May 10, is wanted at Louisiana, Mo., in connection with the robbery of a mail car on the Chicago & Alton railroad near there several weeks ago, according to word received from the Missouri town by local officers. When arrested, Conrad had about \$34 worth of postage stamps in his possession of denominations similar to a large number of stamps stolen in the Brush postoffice robbery. He was arraigned here before United States Commissioner Berry, pleaded not guilty to the robbery charge and was placed under a \$2,500 bond to await trial in federal court at Denver.

Evidence was also secured, officers say, to connect him with the robbery of two stores at Sidney, Neb., on the night before he was arrested here. If he is convicted of robbing the Colorado postoffice, Night Marshal Stillwell will claim the \$5,000 reward offered by the postmaster general for the capture, dead or alive, of a post-office or mail car robber.

**AN APPRECIATION**

The Spanish-American War veterans desire to thank all those who assisted in making the observance of Memorial day a success. They desire especially to express their appreciation to those taking part in the program at the Imperial theatre, and to those who furnished cars to take the veterans to the cemetery.

### LABOR BOARD ANNOUNCES CUT IN RAIL WAGES

(Continued from Page 1).

A new monthly schedule for floating equipment employes on ferries, tugs and steam lighters gives captains \$300, engineers \$190, firemen and oilers \$140 per month. On lighters and barges, captains will receive \$120 to \$150, engineers \$140 to \$160 and mates \$100.

**Union Attitude Unknown.**

The attitude of the railway unions toward the decreases ordered remains to be determined. The big brotherhoods are expected to meet here July 1, to consider the board's decision.

Claiming they were hard hit by the winter slump in business, railroad managements have been clamoring for lower wages and the decision will mark the first relief granted by the board since it set the advance wage scale more than ten months ago.

The decision Wednesday said that since the 1920 wage award there has been a decrease in the cost of living and the "scale of wages for similar kinds of work in other industries has in general been decreased." These two points were the chief contention of the railroads. Testimony was offered in the hearing which began April 18, and ended May 16, to show reductions of 20 to 50 per cent in the cost of living. Varying reductions in wages, mostly for common labor, were also cited by the carriers. "The board believes," the decision says, "that based on the elements shown the decreases fixed are justified and required."

"Whatever may be said as to the origin or contributing causes, there has been and is a marked depression in industry," the board says. "As a result heavy financial losses have been suffered and many hundreds of thousands thrown out of employment, and this loss of purchasing power by them has accelerated the general depression by producing the demand for the products they would otherwise have purchased. While it has been argued that the fall in prices has not reached to any large extent the consumer, it has without question most disastrously reached and affected the producers."

### Lakeside Man Forgets To Appear in Court After One Large Night

A man registered at police station as Carl Miller of Lakeside, forgot to show up in police court Thursday morning at 10 o'clock, and as a consequence, \$45 that he left as cash bail when he shook the dust of the city from his feet late Tuesday evening was forfeited.

According to Chief Jeffers, Miller had been drinking some high-powered liquor and it got the best of him. Along about 5 p. m., Tuesday, he wandered into a local pool hall, and began to get profane. The proprietor reminded him that the police were present, and he immediately gave his

opinion of the cops, which was not flattering. Miller was accompanied by a friend, who took him out into the air, but he broke away and hit for the fair grounds, where, after examining the race horses, he proceeded to repeat the pool hall performance.

On this occasion there was no friend to lead him away and the cops appeared and escorted him to jail. He put up a cash bond for appearance Thursday morning, but to date he has not shown up in police court and they have rather given up expecting him.
