

AT THE CHURCHES

PRESBYTERIAN CHURCH
 Next Sunday is Disarmament day. The day will be nationally observed throughout the United States by Christians of every creed and sect and denomination as an answer to the challenge issued by General Tasker H. Bliss, former chief of staff of the United States army, who has said that if the church people of the United States mean business they can force the hand of the government to call a disarmament conference of the great nations of the world to work out a reasonable plan to relieve the world of the intolerable burden and excessive danger to the peace of the world of overweening armaments. Gen. Bliss has said: "If there is another great war among 'Christian nations,' the Christian people will be responsible for every dollar expended and every drop of blood shed."
 Our theme next Sunday morning at 11 o'clock will be "Disarmament," and an opportunity will be given for you to register your desire to have our beloved U. S. A. to lead the world in a program of world disarmament.
 The Sunday evening service will be a part of the Twelfth district C. E. convention. You are cordially invited.
 A. J. KEARNS, Pastor.

CHURCH OF CHRIST
 "An Ideal Pastorate" is our subject for Lord's day morning. Come to the service and the minister will tell you about it.
 Next Sunday is the beginning of our fifth year in Alliance. We will be glad to see not only all the members of the congregation but many of our friends present on that occasion. During the last four years it has been your minister's privilege to welcome nearly three hundred into the fellowship of this congregation. Some one says, "Do you like to live in Alliance?" Our answer is this: "We have never before this time stayed longer than four years in one place and the record is broken in Alliance." We have good people, good schools and besides a good climate many other good things, so why not like it here?
 The evening hour will be given over to an address by some representative of the District Endeavor convention. We invite you to come to the church with a message and a welcome.
 STEPHEN J. EPLER, Minister.

METHODIST CHURCH
 The date of the Northwest annual

conference of the Methodist church has been set for August 31. The place is Gering, and Bishop Stuntz will preside.

 MEARL C. SMITH, Pastor.
