

AT THE CHURCHES

PRESBYTERIAN CHURCH.

Petitions carrying some 30 signatures were sent in the first of the week to Senators Hitchcock and Norris, and Congressman Kincaid urging the calling of an International Conference of the leading nations to bring about a plan for the reduction of armaments. This was in answer to the challenge issued to the Christian people of this country by Gen. Tasker H. Bliss, former chief of staff of the United States army, which resulted in the observance of a Disarmament Day, June 5, nationally by all religious bodies. We are glad to have a part in this great work. Signatures were received both in the morning service and also at the Christian Endeavor convention meeting at the Christian Church, Sunday night.

Next Sunday morning our Sunday school will join in the big Children's Day parade. Supt. Prince urges all to be at the church by 9:30 sharp where order of march will be arranged and

banners will be provided for the different divisions of the Sunday school. Following the parade the Sunday schools will gather on the Court House lawn and be addressed by Judge Tash. Following the program at the Court House the Sunday schools will march to their respective churches. Our morning service at 11:00 a. m. will be largely devoted to a Children's sermon and we hope the teachers and classes will attend in a body. There will be a special music in the morning service, a duet sung by Mrs. Otto Grass of Kansas City and Mrs. J. S. Rhein, entitled "The Crucifix" by Faure. Mrs. Grass is a sister of Mrs. H. E. Marvin. She will also favor us in the evening with a solo, "God Shall Wipe Away all Tears", by Harker. Evening service at 8 o'clock. All are cordially invited to attend these services.

A. J. KEARNS, Pastor.

CHURCH OF CHRIST

Following the Sunday school parade as announced elsewhere in this paper,

we will march back to the church where the morning service will be in honor of the children. The junior orchestra under the direction of Mrs. Fosdick will lead in all the music. It is wonderful to see and hear these boys and girls play on stringed and wind instruments. They will surprise you with their ability. Inez Young will sing a solo.

The sermon will be appropriate to the children. The subject is: "Hunting the Lost." At the evening hour the sermon will be a continuation of the series on lesson from Isaiah. The subject is: "The Five Woes Upon Israel." All will meet at the church promptly at nine o'clock in the morning. After short preliminaries we will proceed to the court house to participate in the parade, arriving there promptly at 9:15.

The three Endeavor meetings at 7 o'clock will be better than formerly as the convention helped bring information and inspiration.

Come to the church with a message and a welcome.

STEPHEN J. EPLER, Minister.

BAPTIST CHURCH.

Sunday morning we will join in the Sunday school parade. The announcement was made rather late but we ought to be able to get out a goodly number. Remember we are to meet at the church about 9:00 o'clock in the morning and about 9:30 we will march to the court house where Judge Tash will speak to us. Then we will repair to our churches for the morning services. Our children's day program will be given a week from Sunday. The entire morning hour of worship will be turned over to the children.

Services at the church both morning and evening.

Morning topic, "Past Accomplishments, the Proof of Ability; or the Value of Experience", Text Ex. 15.

Evening topic, "God's Alibi," or "Why People are Lost".

Don't forget the B. Y. P. U. services at 7 o'clock, the seniors upstairs and the Intermediate in the parlors. The Juniors afternoon at 2 o'clock.

METHODIST CHURCH.

The schedule of the Children's Day parade is as follows: 9:15 meet at the church. 9:45 start on parade. 10:15 meet on Court House lawn. 10:45 meet at church for the morning worship hour.

New Law Reads Like Bad News For the Makers of Hooch

Makers of homemade hooch should think twice, or three times hereafter before they enter too generously into the business of moonshining, as a statute passed by the recent session boosts the ante for this intoxicating pastime and shifts the action from the police to the district court.

Senate file No. 185 which is in effect as the law of Nebraska, makes the conviction of a charge of illegal possession of liquor or a still for the manufacture thereof now punishable by a fine of not less than \$500 nor more than \$5,000, or by a jail sentence of from thirty days to one year.

Heretofore persons convicted of these offenses have been drawing fines of \$100 in police court. Under the new law only preliminary examinations in such cases can be held in police court, and for probable cause the culprit must be bound over for trial in the district court. The law further provides that in case of conviction of an accused the district judge may assess as court costs the sum of money expended in effecting the arrest and securing the evidence, this money to be refunded to the officer or citizen responsible for the action.

For a time the state law and the penalties thereunder for moonshining have been looked upon as a joke by those who manufactured hooch for general consumption some of whom openly averred that a fine now and then was nothing in their young lives, when compared with the profits that they made from the sale of the furniture-polish-tanglefoot. It appears now, however, that a few \$5,000 jolts may take a considerable portion of the glamor and profit from the moonshine business in Nebraska in the future.

Those Unnecessary Warnings.

Excellent young women have chopped ice and frozen sherbet behind closed doors because they do not want to be told again to be sure not to get the ice all over the back piazza. Certain warnings go with certain projects as inevitably as rubbers with the rain. The practical mother has so often found the warnings necessary that the mere sight of the act produces the formula by rote.

Model sons and daughters should accept these hints with gratitude, thus avoiding all friction, however minor. But rather than be advised to do that which they were planning to do already, the most loyal of daughters will sort to clandestine measures and go stealthily with the ice pick as with a sword beneath a cloak.

This annoys an affectionate and capable mother very much. And she has a right to be annoyed, has she not? After all, it is her ice pick.—Frances Lester Warner in the Atlantic Monthly.

WHY NOT?

George Walker was suddenly taken sick Thursday morning and was assisted to his home where he remained confined to his bed for the day.

The Woman's F. M. S. met at the home of Mrs. Frank Coll, Jr., on Thursday afternoon and about fifteen of the ladies had a profitable and an interesting meeting. Mrs. Coll served a nice lunch to the ladies.

The infant daughter of Mr. and Mrs. Oakley Stephenson died last Saturday morning, only living two days to bless and cheer the young fond parents. Rev. A. J. May, pastor of the M. E. church conducted the funeral at 10 o'clock Sunday morning. Lillian, the mother, is doing well. The many friends of these young parents sympathize with them in this their great sorrow.

The Congregational people are treating the paragon to a new coat of paint this week.

The Ladies' club meets Friday at the home of Mrs. Lockman about fifteen miles northeast. They are invited out to dinner and an all day meeting.

One method of cutting motoring costs

Low grade oil, or oil of unsuitable body, is the direct cause of fully ninety per cent of all overhauling, repair and replacement costs. It is also frequently responsible for the low mileage many an automobilist complains of and blames on his gasoline.

Finding just the correct lubricating oil for your engine will save you a lot of expense and bother.

Polarine is the highest quality motor oil you can buy. Its stability under high engine heat provides a fuel-tight and gas-tight seal in the cylinders which insures maximum power and mileage from gasoline. Its smooth, continuous film protects bearings and engaging parts against wear, vibration and breakage.

Polarine is made in four grades—light, medium heavy, heavy and extra heavy—but only one quality. Get the proper grade for your car next time you buy clean-burning Red Crown Gasoline—and you will start cutting down motoring costs.
