CREAMERY BASEBALL TEAM TAKES REVENGE ON T. P. A.

The Alliance Creamery baseball team have felt that they had something coming, ever since their defeat at the hands of the T. P. A. team a few weeks ago. The second game of the season between these two teams was played off on the fairgrounds diamond Sunday afternoon, which resulted in a crushing defeat for the T. P. A.'s. The final score was 16 to 4.

Several things were accountable for the defeat, say T. P. A. supporters. The loss of Bob Morgan, who was

pressed into service the prior game, together with the injury of Catcher McIntosh, and the general inability of T. P. A. stand-bys to connect with the ball, either from the business end of the bat, or with a fielder's mitt, was responsible for their downfall.

The Creamery nine was primed up to the limit. Their team played tight baseball, with few errors and consistent fielding. Pitcher Todd threw air-tight ball for four innings, never permitting but one man to get past first base. Later in the game Garvin went into the box, and the T. P. A.'s secured their only scores in the game.

"Why, I felt so sorry for the poor fellow," said Ethel, "do you know his voice actually struck in his throat?"

"Well, you see," said Ethel, with a blush, "I took a lip-reading course at college."
