THE POTATO MARKET

(By State Bureau of Markets) Potato shipments were heavy during the week. Nearly 8,000 cars moved as compared with approximately 5,000 cars with previous week. Seasonal shipments for western Nebraska to September 26 inclusive totaled 704 cars. Seasonal shipments for the United States to the same date 72,199 cars.

Prices in some producing sections showed declines of from 10 to 25c. Eastern markets were down 25c. On the Omaha market, Nebraska potatoes grade No. 1, sold the latter part of the week from \$2.25@2.50; grade No. 2, from \$1.85@2.00; prices in the potato growing districts in Nebraska wagonloads, cash to growers \$1.25@1.40; in carloads f. o. b. track, sacked and graded, from \$1.40@1.50 per 100 pounds.

Declines were attributed to usual heavy seasonal movements. The fact that the total production in the United States is placed at one hundred million bushels below last year's crop and fifty million bushels less than the previous five years average will undoubtedly be a factor in preventing permanent declines.

ELLSWORTH.

P. E. Law and J. L. Young were witnesses for John Schonard in a desert claim filing on 485 acres of Sheridan county land that lies in seven different plots or tracts both south and north from Ellsworth. It was generally understood that no more such land was left in this county but John's familiarity with this country now enables him to obtain some fairly good grazing land. The filing was made at the Alliance land office Friday.

Several from here witnessed the Alliance-Chadron football game at Alliance last Friday. It was a 76 to 0 affair in favor of Alliance and from all appearance they have a real football team this year but next Friday October 7 they will have their "real try-out" of the season with the fast Ansley eleven who for two years were not defeated and were scored against only twice. Football lovers from this vicinity will have opportunity to witness a real game that date at Alliance ball park at 3 p. m. John Schonard who witnessed the game says he is "in" on anything in the baseball line but "nix" on the football stuff where they "carry 'em off", so we will perhaps be forced to play baseball all winter in lieu of rugby and basketball.

Don't forget the big dance at Ellsworth ball Saturday benefit Ellsworth Baseball association. Good music consisting of piano, drums, cornet and possibly violin with the usual admission, dancing from 8:30 to 2. We have had no dance for over two months and a large crowd is expected with a good time assured. Floor Manager A.

MOORE also announces a dance two weeks following, Oct. 22nd.

Mr. and Mrs. G. R. Schafenberg, and Mrs. J. B. Kennedy spent Friday and Saturday in Alliance, Ross returning to his position with the Burlington in Casper.

Miss Margaret Kennedy left Saturday for an extended visit with relatives and friends in Omaha.

Mr. and Mrs. C. C. Jameson were called to Denver Friday by the death of Mrs. "Madam" Comstock. Mrs. Comstock was well known here and the entire community extends heartfelt sympathies to relatives of the deceased. Interment was made at Trenton Saturday.

Pat Welsh was an Antioch visitor Friday, attending court there, returning Saturday. While there the car of Geo. Lindley in which Pat was riding collided with another car and the driver of the other car received injuries which came near causing his death in the Alliance hospital. Names and further particulars were not obtained, however. Outside of a dislocated knee cap, Pat appears to be none the worse for the mishap although it is said he was thrown twenty feet in the air at the collision.

Mr. and Mrs. D. C. Bradbury and Mr. and Mrs. Bert Duncan of Alliance were Sunday hunters of the "wild birds" in our community. Geo. Eckhart and Paul Wellington, J. H. Kassin, and other railroad men working on the weed burner here, in addition to a score of our local huntsmen, made "Mr. Bird" flee in all directions.

While one of the Bingham ball players was in Ellsworth recently a challenge was made for a "winner take all game" with side money of one hundred dollars. The challenge was immediately accepted and Bingham's manager written for a date and further particulars, but there seems to be a "missing link" somewhere as no definite date can be obtained but we are expecting addition information by today's mail and should Bingham carry out their proposal the game will be played at Ellsworth ball park Sunday afternoon at 2 p. m. October 9. Joe Maupin, Whitman's star twirler, has been engaged, with E. V. Black of Alliance at his regular position on short, and our regular line-up, should give Bingham a run for their money. Definite information will be given in this space Friday.

Now is the season when restless people will spend a lot of money trying to have as good a time somewhere else as they could have right at home.

FAIR EXCHANGE

A New Back for an Old One—How an Alliance Resident Made a Bad Back Strong.

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Follow the example of this Alliance citizen.

Mrs. Archie Middleton, 622 W. 2nd St., says: "In our home Doan's Kidney Pills are a family medicine. I had taken them when I had backache and other symptoms of kidney complaint. I had dizzy spells and headaches that came on when my kidneys were not just as they should have been. A short use of Doan's Kidney Pills always regulated and strengthened my kidneys. The attacks of backache and dizzy spells left too. I bought Doan's at Holsten's Drug Store."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Middleton had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

GREEN AS GRASS.

Wife (making their first garden)—

Don't you think, dear, we ought to put in some pie-plant? Hub—To be sure! What kind of pies shall be raise?

A DILEMMA.

Proud Mamma—What do you charge for taking children's pictures? Photo Man—Ten dollars a dozen. Proud Mother—But I have only eleven children.

A stock certificate, lost for years and now worth \$500,000, was found between the pages of a book. It does not exactly speak volumes for the book.
