

Alliance Council No. 976, Knights of Columbus, put on a mass of exercises at an initiation Sunday, a banquet at the Armory following the conferring of degrees at the club rooms in the afternoon. The candidates and members attended mass at the Catholic church in the morning meeting at the armory in the afternoon for the conferring of degrees, the first and second of these being given by the Alliance council and the third by District Deputy James L. Curran, and the visitors from Lead. At the banquet, at which E. F. Schields presided as toastmaster, James L. Curran, of Lead, S. D., district deputy; J. L. While here Mr. States made a trip by auto to Ellsworth to see Messrs. Jameson and Wrightman on business matters. He is a former Lincoln and Nebraska university man and while in the university carried off a number of honors on the athletic field. He has been located at Lander about fifteen years. There is plenty of snow over most of Wyoming, he says, which will insure good crops this coming season and plenty of water in the irrigation projects.

Alliance Has a Candidate for the Trip to France

At the Monday luncheon of the Alliance chamber of commerce, Earl D. Mallery spoke in behalf of the American committee for the relief of devastated France. Miss Anne Morgan is financing the work of solicitation of funds for the state quota, and arrangements have been made whereby a certain number of women from over the state will be given free trips to France, depending upon the amount of money subscribed from their localities. For the first \$18,000 contributed from the state one girl will be sent, and one for each additional \$5,000.
Miss Irene Rice of this city is the only candidate entered in Nebraska in the territory west of the city of York. Mr. Mallery asked the chamber of commerce for its unqualified endorsement of the project and suggested that the organization ask the co-operation of other cities and towns in western Nebraska without candidates. His motion was adopted.
Miss Rice plans to leave Thursday for a meeting in Omaha, in connection with the campaign.

The chamber of commerce has been advised of several carloads of Early Ohio seed potatoes which are for sale. It is not the desire of the chamber of commerce to interfere with the regular commission men who handle seed potatoes, or to supplant them in any way, but farmers who want seed and who are unable to obtain it, will be placed in touch with the parties who have the seed for sale.

CHURCHES

CHURCH OF CRIST.
Nearly a hundred Odd-Fellows and Rebekahs were present Sunday night to hear the minister's sermon especially prepared for the occasion. It was a happy experience to address this splendid body which with many others crowded the building to its capacity. The Bible school only lacked twenty of exceeding the highest record in attendance.

The Wednesday evening meeting begins at 7 o'clock. This will be one of the best meetings of the year. Choir practice, under the direction of J. B. Irwin, will be held at the church at 8:15. This will follow the prayer meeting.

The district convention of the Fifth district churches will be held at Bayard May 2 to 7. Mrs. F. O. Burgess of Sidney is secretary and S. J. Epler of Alliance is president. The president's address will be given the first evening of the convention.
As chairman of Post M. T. P. A., the minister will attend the state convention at Columbus on Friday and Saturday of this week.

The play, "Alice's Dinner Party," under the direction of Miss Billie Swenson, with fourteen boys and girls in the cast will be given at the church Friday evening at 8 o'clock. Admission 25 and 35 cents. You will desire to witness this presentation of America's cosmopolitan population.
S. J. EPLER, Minister.

BAPTIST CHURCH.
The largest Sunday school attendance in the history of the church took place last Sunday. Many new scholars both among adults and young. The morning audience was unusually large, and of course the evening keeps up to its habit. More room needed, but we must content ourselves with present conditions for some time yet to come. Two more men have promised to join the men's class Sunday. Let us all who are members turn out and we will have our largest attendance that morning.

The woman's society meets at the church tomorrow afternoon. The choir will practice at the home of J. S. Corp, who will entertain them with the help of Mrs. T. A. Cross.
In keeping with the national move among the Rotarians, the pastor will preach a special sermon on "The Boy and His Relation to the Social Order, the Government and the Kingdom of God."

Five of our members held a service at Angora Sunday evening for a large crowd. Another group will be sent there soon.
The official board meets tonight between 7 and 8 o'clock at the church to consider business.
Shall we have seventy-five at prayer meeting tomorrow?
B. J. MINORT, Pastor.

The employment department of the chamber of commerce is very active furnishing help mostly to farmers who are starting spring planting. A large number of workers will be wanted when potato planting starts, in cut and sort potatoes. Farmers should advise the chamber of commerce office at once, stating how many men will be wanted; what wages will be paid; and the length of time they will be wanted; for it undoubtedly will be necessary to do some advertising out-of-town or through an employment agency at Denver, Lincoln or Omaha.
