Sunday afternoon being an ideal day for ball playing many of the local players and fans were out for several hours practice. Walter and Glenn House of Lakeside were up for the team practice. The former will be the regular short-stop and second pitcher on the team this year. Glenn House, who is an excellent catcher also wishes to play with the team but local men will be used as much as possible for the positions. Pitcher E. V. Black, who earlier in the season was lined up to play with our club, is now doubtful as Alliance has organized a ball team this year. While we have not heard definitely from him it is almost certain that we will have his services again this season. We plan to have a game here this Sunday probably with Antioch and the following Sunday a game will no doubt be played with the last Whitmanites, who are being newly equipped and will have nearly as strong a team as last year, they having engaged the services of Pitcher Joe Maupin, but they will be short two last year's stars, King on third and Waite on second. Whitman has writ-

ten us for games and it is almost certain that we will play them Sunday, May 7.

Gene Kennedy visited friends in Alliance Saturday and Sunday, returning Sunday night.

William Steele laid off from his railroad work Monday working on his homestead east of town fencing, etc., preparatory to moving up on the place sometime in the near future.

For our next dance, Saturday, some Antioch music has been engaged, a saxophone player also an Antioch pianist who with the assistance of H. Whaley on cornet and Thompson on with the traps will no doubt furnish us with excellent music. Don't forget the date Saturday, April 29.

Clyde Simmonds, Lakeside barber, will be in Ellsworth Saturday afternoon, arriving on the noon train.

William Abbott of Whitman motored through here Sunday morning returning from Alliance. "Bill" plays short stop for the Whitman ball team and he states that complete new equipment has been ordered for his team including ten nifty new uniforms. He was inquiring for open dates with our club and it is planned to have a Whitman game here Sunday, May 7.

School will close May 19, and the kiddies say that it is none too soon at that.
