

REPUBLICAN TICKET.

State. For Judge of the Supreme Court, SAMUEL MAXWELL. For Regents of the State University, R. B. DAVIS, GEORGE ROBERTS. Judicial. For Judge of the 12th Judicial District, FRANCIS G. HAMER. County. For County Clerk, JOHN E. EVANS. For County Treasurer, CHAS. E. OSGOOD. For Sheriff, D. A. BAKER. For County Judge, J. J. O'BROURKE. For Sup. of Schools, R. H. LANGFORD. For Surveyor, A. J. SLOOTSKY. For Coroner, E. B. WARREN. For County Commissioner, J. L. MOULDER.

How to the party line, let democratic chips fall where they may. REPUBLICANS to the front, and see to it that the entire ticket is elected.

REPUBLICANS are getting into line for 1888. Make no compromises in 1887.

"STEADY on the right boys," O'Rourke will get there in good shape.

EXPERIENCE, ability, availability, practicality and sound republicanism, will make the republican ticket win this fall. Victory is in the air.

IN SPITE of all combinations, Slootsky is the favorite in the race for the surveyorship, and will get there with both feet. Slootsky is the farmer's favorite.

ONLY about three weeks until election day. Let's make it boom all along the line from this on, boys. Its awful rocky already for the democrats. Go for 'em.

NEARLY all the socialistic societies of Europe have sent protests against the hanging of the Chicago anarchists, saying that if they are executed it will be judicial murder. In all these protests there is no reference made to the murder that the anarchists have committed.

THE candidates nominated may not all have been our first choice personally, before the convention met, but they are now, and we will use every honorable effort to secure their election. All were good men; it was an honorable rivalry among good men, and the defeated as well as the successful ones will work for the success of the entire ticket.

JOHN EVANS commands the confidence, and support of every citizen who knows him. He has made a clerk above reproach. He will be elected by a rousing majority. This is conceded by many democrats, and is no reflection upon his opponent. Experience, ability, and being accommodating alike to one and all irrespective of party, makes John invincible.

O'ROURKE is walking Snelling's log in good shape. As a man of clerical ability he is far superior. The records will be kept in proper shape by him. In every other respect he is the equal of the present incumbent, and besides is an old soldier who votes as he shot, and is the son of a veteran to boot. Vote for Joe O'Rourke, for County Judge.

NO ATTACK can be made upon Osgood. He fills the bill with the requisites of executive ability, a life of thorough discipline as a business man, large experience in clerical work, the highest education as a business man and scholar, unimpeachable standing in the county; a record in our legislature that proved him a wise and conservative servant, and withal a man without friends to reward or foes to punish. He will make a treasurer faithful and trustworthy in every way. Vote for him.

BAKER is running like greased lightning. Every body knows that he will make a sheriff who will fill the office with safety to the people and credit to himself. He has the people's confidence by years of good work as a peace officer. They know he will do his whole duty, and will give him a booming majority without reflecting in the least upon his competitor. The people want Baker. They generally get the

man they want. The republicans are in the majority and no republican has any excuse to cut Baker, or for that matter any man on the ticket. Vote for every man on the Republican ticket.

ALLWINE introduced a history of the United States into our city schools, which was so untruthful, and so complimentary to confederates that the word rebel could not be found in it, and rebel defeats were lauded as "confederate" victories. The school board kicked it out. We do not want a Superintendent of Schools whose heart warms toward the South to the extent that he would teach the rising generation that rebels were right and the loyal North was wrong. Give us honest, truthful history and a truthful teacher of the history of the war of the rebellion.

LINCOLN county has a fair republican majority of at least 800. There is no internal disunion, no kicking over the traces, no sore heads and no discontent in our ranks. Union and harmony prevail, and the ticket should poll the full vote of the party. Factionalism is out of the fight, and this is what irritates the democracy to desperation this fall. They know that with the republicans united there is no ghost of a chance for the election of a democrat. Their policy is to create turmoil in our ranks, and to circulate all sorts of campaign stories. So look out for these democratic roboracks circulated in the interest of political intrigue.

WHY should democrats hold the best offices in a county with 300 republican majority? Republicans think of this on election day. There is more brain in the republican party, and just as competent men for any position. Democrats cannot get into office without disunion in republican ranks. They bank on factionalism in our ranks, and mourn when they find it not, as the whang doodle mourneth for its first born. They are mourning loudly now and fleeing to the hills in search of a comforter. See to it that they keep on mourning and fleeing until the polls close Nov. 8th, when they will give up the ghost and kick the political bucket forever and aye in Lincoln County.

MAD! Whom the gods would destroy they first make mad. While this trite saying is not original with us, it is nevertheless strictly true and applicable to the democratic party and its woefully made up ticket in Lincoln county. Concentration, shape and harmony are strangers to their management and ticket. Disunion and discontent constitute the leaven of its dissolution. Suspicion and ugly fate brood like a hateful night horse over their internal doings. The political atmosphere is murky, and their devious paths are filled with pit falls, while doom, dark and vengeful, has cast their countenances with the sickly palar of political defeat, until the death rattle is plainly heard in their throats. Nothing bodes them good. The evil genius environs them round about. Scratching will not avail them, and knifeing each other will not destroy the poisonous cancer in their body politic. They are mad from stem to stern; mad because the old wheel horses of democracy stand silently by grimly smiling as the shades of death and defeat close around them, refusing to render aid and comfort to an off-spring whose paternity they disown; mad at the fool editor who lifts the organ for making an ass of himself; for knifing the many to help the few; for committing them to free trade, when not one of their number dare stand up in a precinct of American farmers and working men, and advocate that doctrine in preference to protection to American industry, or favor foreign pauper over American labor and free schools; mad at his admission that Germans need not apply to the Democratic party and because their horse editor bit off, in his so-called "Dutch racket", more than they can chew up; mad because Walsh wandered back from the hills of Crazy Horse creek to mount the editorial tripod again rather than offering himself a sacrifice to the wolves and coyotes of our valleys and hills as they hoped he would; mad because scratcher Snelling is chairman of their almost defunct county central committee; mad because the Republicans of Lincoln county refuse to break into factions but intend going en masse to their funeral on November 8th and bury them too deep for any possibility of

resurrection; and because the treasurer has "farmed out" his office until the people have made up their minds that this is the only kind of farming he knows, is interested in or cares anything about; mad because Snelling is a sort of half mugwump for office and revenue only; mad because Graes can't keep within sight of Baker; mad because Graes cannot beat Evans, and because Brooks says "Lon is sick"; mad because Cleland would not damp from the ticket as surveyor; mad because Pritchard would not make himself a monkey's paw to draw democratic chestnuts out of the fire; mad because Allwine isn't all whiskey, couldn't get up a smell at Cottonwood, and because he handles the truth with the recklessness of Bill Nye; mad because O'Rourke is going to get there Eli; mad because coroner Warner will bury them deeper than the bottom of the river; mad because they are on the run for Salt creek; mad singly and collectively, and mad unto political death and damnation. "Dinna ye hear the slogan?"

THE members of his party were well pleased with Mr. Risse's temporary editing of their party organ. Some of them, for the benefit of the party, have wished that Walsh had prolonged his hunt until after election.

JUDGE SNELLING is camping on the trail of the Republican speakers in hopes to counteract some of their influence. Vain hope; Republicans are going to vote straight this year. Since Cleveland has shown the cloven foot of democracy so long concealed, they realize that he who is not with us is against us. They are dressing up the lines for 1888.

REPUBLICAN RALLIES. The Ticket, the Whole Ticket and Nothing But The Ticket.

ENTHUSIASTIC MEETINGS at GANDY, GARFIELD, and OTHER PLACES. A Rousing Republican Meeting at Gandy, Oct. 19, '87. EDS. TRIBUNE.

The Republicans of Logan county held a meeting, as advertised, last night at the town hall which was attended by the representatives of the party, as well as a number of democrats. The meeting convened at 8 o'clock, county attorney McEay taking charge as chairman and opening with a neat little speech, after which Messrs. Nesbitt, Grimes, Schrader, Bixler, Seely addressed the audience and poured volley after volley into the ranks of the enemy, followed by a well directed charge by our own Church which made the opposing forces quail, and drove terror to their hearts. At the close of Church's rousing speech, a Republican Club of about 35 members was formed and the machinery set in motion in such a manner as will cause victory to perch on the banner of the grand old party in Logan county. The enemy was routed, horse, foot and artillery, and the boys will keep them on the run till the 9th of November when it will be shown that the God of battles is on our side, and that right and freedom are once more triumphant. Tonight's meeting will be held at Garfield which will be attended by a number from this town, accompanied by the Gandy brass band; and everything augurs well for a splendid meeting. Com.

GARFIELD ABLAZE. GARFIELD, Oct. 20, '87. EDS. TRIBUNE.

Garfield was ablaze last night with old fashioned republican enthusiasm. The torch of republican victory was lighted and will burn with increasing brightness until success shall crown the efforts of the party Nov. 8th. Garfield is in line and will be heard from to the great dismay of democrats. The school house was packed with eager listeners, and no great was the crowd that many had to stand outside and crowded the doors and windows and applauded to the echo the sentiments of the speakers. Most of the candidates on our ticket and the lawyers of the Platte were present. The Gandy brass band and two wagon loads of the Gandy republican club marched into this beautiful little town about dusk to the tune of "Marching through Georgia." The meeting was organized by the election of Prof. Cary as chairman, and after music by the band the ball opened with a good straight republican speech by Judge Patterson, which was applauded to the echo. He was followed by Mr. W. T. Wilcox, who at one leap went to the front as one of the brightest and most eloquent speakers in our district, who sounded the trumpet of republican doctrine and enthusiasm to the delight of the audience. Mr. Campbell, one of the solid citizens and straight republicans of this precinct, was next called by the President, and although a farmer making no pretensions to oratorical accomplishments, he delivered one of the most enthusiastic speeches of the evening, and made many

good points in favor of Republicanism. It became Church's duty to review the ticket and compare it with that which the Democrats are laboring so hard to force upon the people of Lincoln county. And such a comparison: It was not a comparison but a contrast in every particular favoring the man on the Republican ticket. As Mr. Church went on striking blow after blow with telling effect, the large audience cheered him to the echo, showing that they appreciated the situation, and would prove their loyalty when the 8th of November comes. It would have made the "Tall Sycamore" wilt and wither to have heard the way in which the name of J. J. O'Rourke was received by the voters of Garfield precinct. The straight ticket will go in with a rush and a cheer for him that means certain defeat to the man who poses before the people as a martyr. Before the meeting was closed a Republican club was organized having a membership of over thirty men, and this among the music from the band, the whooping of the boys, and singing and cheering of the old veterans. Garfield is in line for the fray. The town is rich in beautiful scenery, richness of soil, and in the intelligence and patriotism of her people, and will poll a solid republican vote on election day. Through the generous hospitality of Messrs. Auble, Campbell, Babcock, Carey, Harden and others we were all well provided for, are feeling happy and confident of success. We leave in a short time for Spanuth where we will hold a meeting and the Republican batteries, loaded with grape and canister, will be opened upon the ranks of the enemy. C. W.

As yet no movement has been made toward the reorganization of the Apollo club. It is to be in existence this winter?

The number of public dances to be given this season promise to exceed even that of last winter. Our people are evidently fond of this class of amusement.

It is generally expected that the entire Republican county ticket will be elected this fall. The Democrats are very much discouraged with their prospects for success.

Isaac Lamplugh has placed a number of young carp, hatched in his lake this season, in a vase and placed them on exhibition at Thacker's drug store. They are fine looking little fellows from three to four inches in length.

The final proof business at this land office was never so heavy as at present, the receipts running up as high as two thousand dollars per week. The heavy drain is one cause of the stringency of the local money market.

Mr. H. E. Ottman and Miss Hattie Dyer, left early in the week, report says, to be married in Omaha. Mr. Ottman is an old resident of the city, occupying the responsible position of book-keeper of Mr. Foley's mercantile business. Miss Dyer had been a resident of the city but a short time, and was not very extensively known. The marriage extends to the newly married people its most cordial wishes for long life, health and prosperity.

The Grand Lodge of Odd Fellows met in Lincoln this week. Over 250 delegates were present. The report of Grand Master Ferguson shows all the lodges of the state to be in good condition, and but one surrender of charter has been made during the past year. The secretary's report shows 148 working lodges, with an active membership of 8,375, a gain of 375. The treasury shows a balance of \$6,147.67.

John R. Walsh is a large stockholder in the American News Company, a manager of the Western News company of Chicago, a director of the Chicago base ball club, president of the Chicago National bank, and the largest stockholder in the Chicago Herald. A smooth shaven man of some fifty years, he began life without any capital but pluck and brains, and is now worth some four or five million dollars.

Philadelphia City Hall is still unfinished. Between \$11,000,000 and \$12,000,000 have been expended since laying the corner stone in 1872. It is the largest building finished or in course of completion, in the United States, and is estimated to cover 2,800 more square feet than the capitol of Washington. The tower on the north side when completed, will be 535 feet high. It has now reached a height of 270 feet.

Their Business Booming. Probably no one thing has caused a general revival of trade at A. F. Streit's Drug Store as their giving away to their customers of so many free trial bottles of Dr. King's New Discovery for Consumption. Their trade is simply enormous in this valuable article from the fact that it always cures and never disappoints. Coughs, Colds, Asthma, Bronchitis, Croup and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.
