Pretty Women.
All women look attractive when their color and complexion is clear. If your skin is sallow eyes dull, you are bilious, secure a box of Williams' Australian Herb Pills, take as directed, and the feeling of languor will leave you, your eyes brighten, and you are another woman. C. W. Price, Agent.

It is announced that a joint committee of members of the New York and Brooklyn Typographical Unions and Horace Greeley Post, G. A. R., are devising some means whereby a statue of Horace Greeley shall be erected in City Hall Park. A site has been offered by the city, and the committee is now ready to receive subscriptions in aid of their object.

How Men Die.
If we know all the methods of approach adopted by an enemy we are the better enabled to ward off the danger and postpone the moment when surrender becomes inevitable. In many instances the inherent strength of the body suffices to enable it to oppose the tendency toward death. Many, however, have lost these forces to such an extent that there is little or no help. In other cases a little help to the weakened forces will make all the difference between sudden death and many years of useful life. Upon the first symptoms of biliousness, indigestion, or any other ailment of the throat or lungs, give that old and well-known remedy—Boecher's German Syrup, a careful trial. It will prove what thousands say of it to be, the "benefactor of any home."

At 76 Mr. Browning does not look to be much more than 40; nor act so. He goes everywhere and sees everything. Within a few days he went to the funeral of Matthew Arnold, to the Academy, the Grosvenor, and the New, to say nothing of numberless "At Homes." Mr. Browning has no affections.

Who is Your Best Friend.
Your stomach of course. Why? Because if it is out of order you are the most miserable creature living. Give it a fair honorable chance and see if it is not the best friend you have in the end. Don't smoke in the morning. Don't drink until your stomach is through with breakfast. You can drink more and smoke more in the evening and it will tell on you less. If your food ferments and does not digest right—if you are troubled with heartburn, dizziness of the head, coming up of the food after eating, biliousness, indigestion, or any other trouble of the stomach, you had best use Green's August Flower, as no one can use it without immediate relief.

"Miss Linda Gilbert," says the Boston Advertiser, "has established twenty-two libraries in the prisons of different States and found employment for 6,000 ex-convicts, and yet the name of the most pleasure-chasing society woman in the country is made more familiar to the average newspaper reader than is that of Miss Gilbert."

How to Cure Croup and Tetters.
Many persons believe that salt rhum and tetter can not be cured and quietly submit to be tortured by them. If they would invest twenty-five cents in a box of Chamberlain's Eye and Skin Ointment and apply it as directed they would soon become convinced of their error. It almost instantly relieves the itching and burning sensation and has cured many cases after they had resisted all other treatment from ten to twenty years. Try it. For sale by F. H. Longley.

Matilda Joslyn Gage, of Fayetteville, N. Y., has petitioned Congress for "the removal of her political disabilities, and that she may be declared invested with full power to exercise her right of self government at the ballot box, all State constitutions or statute laws to the contrary notwithstanding."

The Commercial Travelers' Protective Association of the United States, has a membership of over sixteen thousand and is probably the strongest association of the kind in the world. Mr. John B. Stone, their Nat'l Sec'y and Treas., 79 Dearborn St., Chicago, in a letter states that he has been severely troubled at times, for the past twenty years, with cramp and bilious colic which would compel him to take to his bed from three to six days. While in St. Louis at their last annual meeting he procured a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and has since used it with the best results. It is the only remedy he ever found that effected a rapid and complete cure. No one can safely travel without it. Sold by F. H. Longley.

In order to win the coming election the Democratic party must carry New York and two other doubtful states. The whole number of electoral votes is 401, and of this number the safe Democratic states, including West Virginia as such, furnish 153. With New York alone with its thirty-six votes they would lack twelve votes, while if they should carry all the other doubtful states and lose New York they would lack eighteen votes. The doubtful states are: Connecticut, with six electoral votes; Indiana, fifteen; New Jersey, nine; and New York thirty-six. With its sure 153 votes the Democratic party needs New York and Indiana or New York, New Jersey and Connecticut. In any event New York they must have, as no combination in which that state is left out can win.

PERSONAL.
Mr. N. H. Frohlichstein, of Mobile, Ala., writes: I took great pleasure in recommending Dr. King's New Discovery for Consumption, having used it for a severe attack of Bronchitis and Catarrh. It gave me instant relief and entirely cured me and I have not been afflicted since. I also beg to state that I had tried other remedies with no good result. Have also used Electric Bitters and Dr. King's New Life Pills, both of which I can recommend.

Dr. King's New Discovery for Consumption, Coughs and Colds is sold on a positive guarantee. Trial bottles free at A. F. Streitz's Drug Store.

The Last Herd of Buffalo.
Mr. Clinton A. Snowdon, of the Chicago Times, is the originator of a scheme to save bison that still remain on the plains. It has been ascertained that of the millions which once roamed on the prairies of the West only seventy-five or a hundred remain, and these are located in the extreme southwestern portion of Texas. An expedition is soon to start for Texas to round up these buffalo. The leading purpose is to perpetuate a species of animal which is thoroughly typical of American animal life; one of the controlling ideas of the trip being to kill none of the animals while corraling them or after their capture. News of the work of the expedition is to be sent to the Times by carrier pigeons.

It is hoped this laudable expedition will succeed. It would seem as if congress might do something to promote and encourage the preservation of this wonderful breed of animals.

Wonderful Cures.
W. D. Hoyt & Co., Wholesale and Retail Druggists of Rome, Ga., say: We have been selling Dr. King's New Discovery, Electric Bitters and Bucklen's Arnica Salve for four years. Have never handled remedies that sell as well, or give such universal satisfaction. There have been some wonderful cures effected by these medicines in this city. Several cases of pronounced consumption have been entirely cured by use of a few bottles of Dr. King's New Discovery, taken in connection with Electric Bitters. We guarantee them always. Sold by A. F. Streitz.

The reason why Acker's Blood Elixir is warranted, is because it is the best Blood Preparation known. It will positively cure all Blood Diseases, purifies the whole system, and thoroughly builds up the constitution. Remember, we guarantee it.

Struck by Lightning.
Monday evening, at about 4 o'clock, lightning struck the house of H. Boggs, in town 16, range 42, in Cheyenne county. The current struck the stove-pipe, and following it down, completely demolished the cook stove. The occupants of the house at the time were Mr. R. Vance, son-in-law of Mr. Boggs, and his wife and his wife and baby, Mrs. Boggs and Mr. Ed. Hartman. After destroying the stove the current passed to Mrs. Vance and she suffered a severe shock, having her shoes completely torn from her feet and her baby thrown to the floor from her arms. Mr. Vance, who was also severely injured and had his boots torn from his feet, picked the baby up and found it unharmed. Mr. Hartman suffered the greatest from the lightning, having been struck several times before.—Ogalala News.

Babies that are fretful, peevish, cross, or troubled with Windy Colic, Teething Pains, or Stomach Disorders, can be relieved at once by using Acker's Baby Soother. It contains no Opium or Morphine, hence is safe. Price 25 cents. Sold by A. F. Streitz.

The Latest Credited to Buffalo Bill.
Colonel Cody, known to fame as "Buffalo Bill" is well up in biblical knowledge. To Mrs. Jester, his sister, of Leavenworth Kansas, he telegraphed as follows on his recent arrival in this city: "Read Second Epistle of St. John, twelfth verse. Your Brother." Turning to the verse indicated Mrs. Jester read the following words: "Having many things to write unto you, I would not write with paper and ink; but I trust to come unto you and speak face to face, that our joy may be full." Colonel Cody has been offered a position on the Mail and Express.—New York World.
