### The H. T. Club.

The H. T. club held its first meeting in several months on Saturday night, the meetings during the summer having been abandoned on account of the absence of a large number of the members. The subject of discussion for the evening was "Expansion" but previous to entering on the serious work of the evening the members decided to serenade the mayor, the members of the school board, a former member of the club and some prospective members. They also very sweetly serenaded an eligible bachelor. Brown's carry all was pressed into service to transport the club while it was serenading. The meeting proper was held at the home of Miss Ennice Babbitt. The club atter much discussion decided that it was heartily in favor of expansion.

Just previous to leaving for their homes the members regaled themselves on watermelous and muskmelons.
