WANTED—Chickens, Turkeys, Geese, Ducks and Pigeons.
McCULLOUGH & CARTER.

The receipts at the separator station yesterday aggregated 4648 pounds, the largest amount ever received. New patrons are continually being added to the list but as the plant has a capacity of 25,000 pounds daily there will be no danger of the receipts testing the full capacity for some time. The patrons are all very well satisfied with the results of the station.

The Lutheran World printed at Cincinnati, Ohio, contained the following: "At Stella, Neb., a series of special services closed March 3, with fifteen accessions, eight of whom are adults. The pastor, Rev. H. Zimmerman, was assisted by Mr. W. H. Wolfe, of Lockport, Ill., who more than maintained his great reputation as a gospel singer. His rare talents are thoroughly consecrated. He has imagination and sympathy, and the power to express them in song. The church was greatly profited by his services. Mr. Wolfe will labor in the Nebraska Synod until after Easter." Mr. W. H. Wolfe is a brother of Rev. H. A. Wolfe, and is expected here to assist Rev. Wolfe in a series of meetings beginning about April 1st and continuing until Easter.

A Golden Wedding.

A rare event occurred in North Platte yesterday—the celebration of a golden wedding. The event transpired at the residence of Butler Buchanan and the celebrants were his parents, Mr. and Mrs. O. H. P. Buchanan, who rounded out fifty years of wedded happiness yesterday.

The celebration began at three o'clock and lasted until eleven and during that time about 200 guests extended their congratulations to Mr. and Mrs. Buchanan. They were assisted in receiving by their daughters Mesdames Baskins, Miltonberger, Buchanan and Davidson and their two sons, Butler and Thomas. The house was very beautifully decorated with cut flowers and in the dining room a very artistic color scheme, in which golden predominated, was carried out in the table decorations.

Refreshments were served to the guests and each lady was presented with a souvenir ribbon printed in gold. Mrs. E. A. Cary, Miss Elizabeth Burke and Robert Cary added very much to the enjoyment of the guests by the musical selections which they gave.

Among the guests were Mr. and Mrs. John E. Cavenee and Mr. and Mrs. Philip Campbell of Custer county. The two gentlemen had attended Mr. and Mrs. Buchanan's silver wedding at Mt. Pleasant, Iowa, and are now looking forward to helping them celebrate their diamond wedding.

Mr. and Mrs. Buchanan were the recipients of some very handsome presents among others being a gilt clock, candlesticks, two gold headed canes, a gold headed umbrella, spoons and several books. One of the gifts which they prize very highly is a set of spoons from Prof. and Mrs. Roberts, of Ithaca. Prof. Roberts is now the head of the agricultural department of Cornell college. He is a protege of Mr. Buchanan's and accompanying the gift was a message which said that he was sending it to the very best friend he had ever had.

The wedding of Mr. and Mrs. Buchanan occurred at the home of the bride's parents in Brook county, W. Va., March 19, 1850. For seven years they resided on the old homestead in Pennsylvania. They then came west intending to locate in Illinois but not finding the conditions there very favorable they moved to Iowa and in 1858 located at Mt. Pleasant where they lived until 1884 when they came to Nebraska and finally located in what is now known as Buchanan precinct, Lincoln county. They made their home there until a few years ago when they moved to town and have since lived with their daughter, Mrs. W. M. Baskin. They have had eight children, five girls and three boys. All of those who are still alive, Thos. and Butler Buchanan, Mrs. W. M. Baskins, Mrs. I. L. Miltonberger, and Mrs. A. Davidson were here yesterday.

Mr. Buchanan has always been a prominent figure in any movement which has had for its purpose the uplifting of the agricultural class and the agricultural college of Iowa, which is considered one of the best in the world, owes a great deal of its advancement to him. In all of his work he has been ably seconded by his wife whose interest in public affairs has always been as strong as his. They are of the class of people who help to make this world a better place to live in. They have a large circle of warm friends in North Platte, won by their many splendid qualities, with whom THE TRIBUNE unites in wishing them many more years of health, happiness and prosperity.

I respectfully decline the nomination for city clerk tendered me by the citizens' meeting last Saturday evening.

Geo. Vroman returned this morning from Omaha where he had been spending about ten days on business connected with the P. of L. E.

Work upon V. E. McCarty's new residence has been commenced and is being rapidly pushed. When finished it will be quite a commodious cottage.

Several of the members of the gun club stopped at Brady Island on their way home from the match at Grand Island and put in Sunday and Monday duck hunting.

Mr. and Mrs. John Cavenee and Mr. and Mrs. Philip Campbell, who came to attend the Buchanan golden wedding, returned this morning to their home in Custer county.

I have engaged a competent dressmaker who will be with me March 26th, and who comes to me well recommended as an artistic dressmaker. I would solicit a liberal share of patronage from the ladies of North Platte. Call at my house or call by telephone for further information.

MRS. I. L. MILTONBERGER.

At the meeting of the board of county commissioners held yesterday upon a petition from the residents of O'Fallons precinct it was decided to change the name of it to Sutherland. They also very thoroughly discussed the Union Pacific delinquent tax question and decided to instruct the county attorney to commence at once foreclosure proceedings against the company for the full amount of taxes due and unpaid. The commissioners have given the matter of these back taxes considerable attention and after consultation with the county attorney have decided that they have absolutely no right to make a compromise of these taxes and that the company ought to be compelled to do as other taxpayers have already done, pay the full amount of taxes—under protest—and then seek relief from what it claims is unjust taxation, by legal methods.

Mr. and Mrs. Jas. Dorrain returned Saturday afternoon from Cozad.

D. S. Schofield of Wallace, is spending the day in town transacting business.

Thos. Duggan, who had been spending a few days here visiting his sister, Mrs. Thos. Burney, left this morning for his home in Wood River. He is just returning from a three years' trip through the west.

The assessors are gradually gathering for the meeting this afternoon. An informal meeting was held this morning to discuss ways and means. It is not thought any radical changes will be made in the basis of valuation, but we believe that a return to a one-fifth valuation should be made. Lincoln county is paying an undue proportion of the state taxes, a fact that the assessors should take into consideration.

The millinery department at the Fair Store will be in charge of Miss Marie Townsend, of Chicago, this season.

At the meeting of the republican county central committee held last Saturday it was decided to hold but one convention and the date selected was April 21st. At this convention delegates to the several conventions, the date of some of which has not yet been announced, will be selected and a candidate for county attorney nominated. The convention to nominate the candidate for county commissioner for the North Platte district will not be held until late in the summer. The official call of the county convention will be published in our next issue.

Train No. 101 has been coming in in two sections for several days owing to the fact that the C. B. & Q. mail train fails to make connections at Council Bluffs.

Sunday 188 cars of special fast through freight passed here in the four sections of train No. 19. This gives some idea of the large amount of freight business which the Union Pacific is now handling.
