### City Council Meeting.

A regular meeting of the city council was held at the county judge's office Tuesday evening. A communication from the chief of the fire department was received and placed on file. On motion the chief was instructed to prepare a complete list of all equipments belonging to the fire department. Alex. Russel, Chas. Brown and L. P. Dickinson having served their full term in the fire department the clerk was instructed to issue them certificates of service. The city treasurer's report for the month of March was received and placed on file. It showed a balance on hand in all funds of \$274.05 and outstanding registered warrants amounting to \$2,128.36. Of the latter amount all but the Waterworks Company's warrant of \$2082.52 have been called in.

On motion of Vernon the clerk was instructed to draw a warrant on the judgment fund of \$700 and on the 1897 water fund of \$230.91 in favor of the clerk of the district court, the total amount to be applied on the Waterworks Company's judgment against the city. As there is sufficient money on hand a thirty-five per cent dividend was declared on all floating claims of 1896 and prior. This will make a total of eighty-five per cent that has been paid on these claims. The city attorney was instructed to draw up a form of warrant to be used in paying this dividend. A report from the city attorney of fees was received and placed on file. A considerable number of claims were allowed and warrants ordered drawn. The next regular meeting of the council will be held Tuesday evening, May 1st and at that time the newly elected mayor and councilmen will take their seats.

### The Lutheran Concert.

The concert which was given at Lloyd's opera house Tuesday evening under the auspices of the Lutheran church was attended by a large audience. The program which was rendered was an excellent one. The opening number was a chorus by twenty little boys and girls who sang well and heartily.

The chorus of thirty voices sang two numbers, Mozart's "Gloria" and Hayden's "All Hail" under the direction of W. H. Wolfe. They were among the most enjoyable features of the evening. W. H. Wolfe played a cornet solo "Palm Branches" which showed that he was master of the instrument. Solos were sung by Mrs. J. H. Hershby, Rev. H. A. Wolfe and W. H. Wolfe which were highly appreciated by the audience. Miss Bratt's instrumental solo was splendidly rendered. Miss Heywood sang two solos. Mrs. Chas. Kitzmiller recited "The Witch of Wenham" in a manner which held the audience spellbound. In response to an encore she gave a little character sketch which pleased the audience very much. After the close of the program the ladies' aid society furnished refreshments to a large number of people.

### U. P. Awards Contract.

Kilpatrick, Collins & Co. have been awarded the contract for the Sherman Hill improvements, notice of the award having been officially given Wednesday. The exact amount which will be paid the contractors was not made public but it is understood that it will be fully \$2,500,000. The present track between Laramie and Buford, a distance of thirty miles, will practically be abolished. This includes the Sherman Hill crossing. All of the most pronounced grades will be done away with and the renowned Dale Creek bridge will be used only until the route is completed. A tunnel three-quarters of a mile in length is included in the new route. It is estimated that two years will be necessary to complete the work. Operations on the contract were commenced yesterday. The officials were in consultation with the contractors at Cheyenne Tuesday and Wednesday. Messrs Kilpatrick and Collins went through to Omaha to further consult with the officials.

On Wednesday the supreme court decided that Rev. T. J. Mackey, Rev. H. C. Herring and W. P. Harford were not guilty of contempt of court as ruled by the renowned Judge Scott. This is one of the results of the Dodds case which attracted so much attention in Omaha because of Judge Scott's arbitrary rulings and the scoring which he gave the ministers.
