Lawn Fete.

The Post home in the south part of town was the scene of a very pretty lawn fete Friday evening. Mrs. M. Oberst and Mrs. N. B. Post were the hostesses to a large party of young people in honor of Miss Blanche Widmeyer and Mr. Nathan Post, who are spending their vacations from college at home, Miss Widmeyer being a student in a musical college in Dayton, Va., and Mr. Post being the representative of western Nebraska in the United States Naval Academy at Annapolis, Md.

The lawn was beautifully lighted with Japanese lanterns, an arch of light being arranged over the gateway. Here and there among the trees hammocks were swung.

The guests were graciously received by Mrs. Oberst, Mrs. Post, Miss Widmeyer and Mr. Post.

During the evening a program was rendered. It consisted of piano solos by Miss Bratt and Miss Burke, vocal solo by Miss Widmeyer, music—piano, violin and cornet, by Miss Bratt, Messrs. Cunningham and Stamp and readings by Misses Furness and Widmeyer. The entire program gave evidence of much talent and thorough training.

Misses Helen Hershey and Julia Edmonds presided at the punch bowl and Mesdames Birge, French and Hershey assisted in the serving of delicious refreshments.

Shortly before midnight the guests departed pronouncing the party one of the prettiest and most enjoyable of the season and enthusiastic in the praises of their hostesses. GUEST.

In pulling a nail out of a hay rack last week, John Johnson, who lives a few miles southeast of Callaway, struck his hand on a rusty nail and scratched it between the third and fourth fingers. In consequence Dr. McNulty has a bad case of blood poisoning on hand.

One hundred acres of winter wheat on the farm of A. R. Merritt, six miles north of Lexington, which was recently threshed, yielded over 2,800 bushels by weight. The threshing was done by John Alexander who broke the record by running through his machine in one afternoon 1,050 bushels. Mr. Merritt also has a large acreage in potatoes which he thinks will yield about 125 bushels an acre.—Lexington Pioneer.

W. R. Lesser, special agent of the interior department, is in Box Butte county investigating the alleged fencing of government land by Miller and Leith who are under bonds to appear at the next term of court, November 15, for fraudulent entry of government land, it being charged that they hired twenty-nine colored citizens of Alliance to file on lands which they did not wish to occupy, and on completion of the entries fenced the entire tract enclosed by such entries. Mr. Lesser says that it is the policy of the government to protect the public domain from all fraudulent entries but that bona fide homesteaders, whether rich or poor, would receive its full protection. The frequent complaints and troubles between ranchers will eventually result in removing all fences enclosing government land.
