A RUMOR comes from Washing ton that John M. Thurston will succeed Hitchcock as secretary of the interior. We question if Mr. Thurston will relinquish a lucrative law practice for a salary which would scarcely defray his expenses in Washington.

THE republican papers of this judicial district are a unit in their endorsement of Judge Grimes as the congressional nominee, and the rank and file of the party are backing up the papers. That Judge Grimes is the strongest man of any mentioned in connection with the nomination, there is no question, and the wise thing is to make him the nomince. Many expressions favorable to Judge Grimes come from all over the district.

Every woman loves to think of the time when a soft little body, all her own, will nestle in her ber satisfying the yearning which lies in the heart of every good woman. But yet there is a black cloud hovering about the pretty picture in her mind which fills her with terror. The dread of childbirth takes away much of the joy of motherhood. And yot is need not be so. For sometime there has been upon the market, well-known and recommended by physicians, a
