C. A. Weir has returned from a trip to Salt Lake City, where he transacted business connected with the Order of Railway Conductors for several days.

### HERE'S A SQUARE DEAL FOR YOU

We have just taken up a new line of men's hose which are becoming famous throughout the whole country because of their marvelous wearing qualities. We have investigated this hosiery and know it has unusual merit, and so we are asking each person who has trouble with holes coming in the toes of his socks, to come and buy just one pair of half-hose made with the

**Interwoven TOE AND HEEL**  
REG. U.S. PAT. OFF.

This will cost you just 25c. Then, after you have given them a thorough, fair test, if you don't say they are the best wearing socks you have ever worn, come again, bring the pair back and we'll refund your money. If you think you might not like the looks of these new socks, come and see. You don't have to buy them. Just come and see them first.

**GRAHAM & CO.**

Don't forget those apples on the track today and tomorrow.

Miss Anna Tanager has accepted a position in Tramp's grocery store.

Mrs. Kate Daly has returned from a visit with relatives at Green River, Wyo.

Mrs. Wilson Tout and children left this morning for a month's visit with relatives in York.

For Rent—Six room house on south Chestnut street. Inquire at 723 West Sixth street.

Lee Grimes is spending today in town, coming home to visit his parents and cast his first vote for president.

The Toddling, Tadpole, Tobin Twins (Leo and Louie). So cute and funny. At the Elks' Minstrel Show Nov. 5th.

E. D. Owens writes from Delta, Col., to have his paper addressed to North Platte and from this we infer he is to again become a resident of this city.

The city council is scheduled to meet in session this evening, but whether a quorum can be gotten together is doubtful, as the aldermen will probably want to hear the election returns as they are received.

E. VonForrell, a well known evangelist, will begin a series of meetings at the Christian church next Sunday. Mr. Von Forrell was here last year and conducted a very successful meeting. Services will be held during next week at 7:30 p.m.

The Munsons—high class vaudeville people—will present "The Race Horse and the Girl" at the opera house picture show Wednesday and Thursday evenings. The Munsons are very clever actors and you will feel satisfied after seeing them.

Owing to lack of space the program of the Elks' Minstrel Show could not be published. The programs that have been printed for distribution at the show will make a souvenir that you can keep and point to with pride for a hundred years. As there is only one show like this in North Platte every hundred years anyone can appreciate the wisdom of getting one. The funny stunts have not all been advertised. The Babes in the Wood by Otto Weil, Bill Woodhurst, E. F. Seeberger, John Halligan and George Field is the only pathetic thing in the whole show. Charley Seyferth's roly poly, round, fat act and Sol Hodas three ball act are good, but you will "rubber" when Dr. Drost comes on the stage.

#### The Prig and His Cane.

In the number of the Tatler for Oct. 8, 1709, it is observed that "a cane is part of the dress of a prig" (this, by the way, shows the erroneous notion prevalent that "priggishness" is a modern word) "and always worn upon a button, for fear he should be thought to have an occasion for it or be esteemed really and not genteelly a cripple."

In the number of Nov. 18 a rural squire in town is sketched who is the prototype of the arrogant gentleman of an unreasonable distance from his sides, which, with the advantage of a cane that he brandished in a great variety of irregular motions, made it unsafe for any one to walk within several yards of him."

And under date of Dec. 5 there is an amusing sketch of "a lively, fresh colored young man" who was among the applicants to Isaac Bickerstaff's court of censorship for license to use "canes, perspective glasses, snuffboxes, orange flower waters and the like ornaments of life." This young man had his cane hanging on his fifth button, and was "an Oxford scholar who was just entered at the temple."

#### DISCRIMINATING LADIES.

Enjoy Using Herpicide on Account of Its Destructiveness.

The ladies who have used Newbro's Herpicide speak of it in the highest terms, for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp feel fresh and it allays that itching which dandruff will cause. Newbro's Herpicide effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpicide stops falling hair and prevents baldness. It is also an ideal hair dressing, for it lends an aristocratic charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two sizes—50 cents and \$1.00. McDonell & Graves, Special Agts.

#### Can We Keep From Having Fires?

We think we are careful, and sometimes we are, but nevertheless a fire will break out once and awhile when we least expect it.

You can't prevent fires, but you can insure against them so when you have one the insurance company stands the loss, not you.

In order to accomplish this you must insure with reliable agents and companies. Temple Real Estate & Insurance Agency represents the best. 1 and 2 McDonald Block.

#### Don't Spend \$3.50 When Fifty Cents Will do the Work

Proj. W. M. Hayes, Ass't. Secty. of Agriculture of the United States says about Stock Food: "These balanced rations are often found by analysis to consist of the tailings of mills, elevators and breweries, mixed with molasses and salt, to make the compound palatable to the cattle, and one of the largest Stock Food Companies is said to use fine sawdust, finely ground, to cheaply bring up the weight of his product. Instead of buying a superior and expensive balanced ration containing high fattening qualities and acting as a tonic, he has paid a high price for a feed containing, along with ordinary grain, finely ground alfalfa hay and other common food stuffs, \$5.00 to \$25.00 per ton, a high percentage of refuse, and non-nutritious matter, some of which may be positively dangerous to the health of his stock."

Make your own stock foods and remedies by using Skidoo Horse and Cattle Tablets for horses, cattle, sheep, swine and fowls; proper dose in tablets. Mix in feed or salt. They contain no sawdust, ashes, chopped feed or bran. Ask for and try once Skidoo Condition Tablets or Skidoo Worm, Kidney, Chicken Cholera, Cathartic, Heave, Fever, Hog Cholera, Distemper, Pink Eye, Colic, White Plague Preventive, or Blister Tablets, or Louie Kiler, Spavin Remedy, or Barb Wire Lintment.
