CONGRESSMAN NORRIS, in the Fourth district, received a plurality of only twenty votes in a total vote of forty-one thousand.

FRIENDS of Bryan are already laying plans to have him succeed Burckett as United States senator.

CONTRARY to general expectations, the socialist vote polled at the late election was less than polled in 1904.

It is understood that Colonel Bryan and Governor-elect Shallenberger will draft the proposed bank guaranty law.

NOTWITHSTANDING the fight that has been made against Uncle Joe Cannon by the truly good people of the country, it is probable that he will be elected speaker of the next congress.

THE resignation of Chancellor Andrews, of the State university, is to be regretted, for under his chancellorship the school has taken its place at the fore front of the great educational institutions of the country.

THE Lincoln Journal says there has been no concealment so far as the Burlington railway officials are concerned as to the interest and the part they played in the defeat of Railway Commissioner Williams.

GOVERNOR SHELDON has not as yet taken any definite action regarding calling an extra session of the legislature.

Mr. Taft's Business Policy. Coincident with the reported resumption of activity in many industrial lines and with the sentencing of Charles W. Morse of New York to fifteen years in prison for violation of the national banking laws, comes the significant words of Mr. Taft, in a speech at a banquet of the Cincinnati Commercial club.

"I have had seven years of proof that Dr. King's New Discovery is the best medicine to take for coughs and colds and for every diseased condition of throat, chest or lungs," says W. V. Henry, Panama, Mo. The world has had thirty-eight years of proof that Dr. King's New Discovery is the best remedy for coughs and colds, the grippe, asthma, hay fever, bronchitis, hemorrhage of the lungs, and the early stages of consumption.

ance offered by Mr. Taft. There are doubtless promoters and reckless financiers who have hoped that the vigorous policy of the Roosevelt administration in dealing with offenders against the anti-trust and other laws regulative of commercial and industrial operations might be modified under the next administration.

Mr. Taft's statement is that between the people and the corporations there shall be square dealing. Any impression that, as Mr. Roosevelt's successor, Mr. Taft would be less strenuous, if not indifferent, to the continuance of the Roosevelt policies has been dissipated.

### IN THE DISTRICT COURT OF LINCOLN COUNTY, NEBRASKA.

In the matter of the application of Henry Bloom, guardian of the estate of Namie Bangston, and Joseph L. Bangston, minor, for license to sell the following described real estate, to-wit: A certain parcel of land situated in the southwest quarter (1/4) of section 31, township 12, north of range 28 west of the 6th p. m. in Lincoln county, Neb., for the purpose of raising funds for the education and maintenance of Namie Bangston, minor, and for the purpose of the payment of the indebtedness of said minor which is a lien upon said real estate and for the purpose of preventing said estate from being wasted, and it appearing from said petition that said real estate consists of a farm located in Lincoln county, Nebraska, and that the income therefrom is insufficient to pay the interest upon the mortgage indebtedness upon said land and to also support and educate said minor:

It is therefore ordered that the next of kin of said minors and all persons interested in said real estate appear before me at chambers in the court house in the city of North Platte in Lincoln County, Nebraska, on the 7th day of December, 1908, at 9 o'clock a. m. to show cause, if any there be, why license should not be granted to said Henry Bloom, guardian, to sell said real estate for the purposes above set forth.

And it is further ordered that a copy of this order be personally served upon all of the persons interested in said real estate at least 10 days before the date set for hearing and that said Namie Bangston, minor, and also upon Anna Marie Smith and John A. Smith, next of kin, and upon Magnus Vilander, the personal guardian of said minor, and that this order be published for three successive weeks in the North Platte Tribune, a newspaper published and printed in said County of Lincoln, Nebraska, commencing on Saturday, the 13th day of November, 1908.

J. M. GRIMES, Judge of District Court of Lincoln County, Nebraska.

### NOTICE OF REFEREE SALE.

### LEGAL NOTICE.

To Nathaniel E. Martin, defendant: You are hereby notified that on the 16th day of October, 1908, John C. Dewey, plaintiff, filed his petition in the district court of Lincoln county, Nebraska, against Nathaniel E. Martin, as defendant, to quiet title in the plaintiff in the northeast quarter (1/4) of section 14, township 11, range 33, west of the 6th principal meridian in Lincoln county, Nebraska; that during the month of November, 1908, Nicholas Scullien, who was then owner of said premises, with his wife Mary Scullien, made a mortgage upon said premises to secure an indebtedness of \$600.00, that said mortgage was recorded in the county clerk's office of Lincoln county, Nebraska, in Book 6 of Mortgages at Page 190; that said mortgage has long since been paid, but through mistake or neglect still remains of record and unsatisfied and casts a cloud upon the title of said premises; that said mortgage became due on the 6th day of December, 1907, and more than ten years ago said mortgage became due and if unpaid is barred by the statutes of limitation.

The plaintiff is the owner and in possession of said premises and the object and prayer of said petition is to have said mortgage cancelled and discharged from the records of the county clerk's office of Lincoln county, Nebraska, and that said title to said premises be quieted in the plaintiff, and for such other and further relief as equity may require. You are required to make answer to said petition on or before the 7th day of December, 1908. Dated this 15th day of October, 1908.

JOHN C. DEWEY, Plaintiff.

By L. E. ROACH, his Attorney.

Prof. W. M. Hayes, Ass't. Secty. of Agriculture of the United States says about Stock Food: "These balanced rations are often found by analysis to consist of the tailings of mills, clevators and breweries, mixed with molasses and salt, to make the compound palatable to the cattle, and one of the largest Stock Food Companies is said to use fine sawdust, finely ground, to cheaply bring up the weight of his product, instead of buying a superior and expensive balanced ration containing high fattening qualities and acting as a tonic, he has paid a high price for a feed containing, along with ordinary grain, finely ground alfalfa hay and other common food stuffs, \$5.00 to \$25.00 per ton, a high percentage of refuse, and non-nutritious matter, some of which may be positively dangerous to the health of his stock."
