The offering at The Keith next Friday evening will be Perce R. Benton's new comedy success "Three Years in Arkansas," a story of the homely side of life as seen in the hills of Arkansas. The play abounds with a subtle wit and humor peculiar to the natives of these hills in which the scenes of the play are laid, and has a story of more than ordinary heart interest. Every attention has been given to all those minor details which go so far to make or mar a production, neither expense or pains being spared in staging the story, for which special sets have been prepared for every act.

If you have a loved one or a friend that you intend to give a nice, useful Christmas present, call at our store and examine our furniture.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having An Effective Cure.
If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to amount to anything. In nearly every case where women and men have thin brittle hair, they owe it to dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbro's Herpicide tells you that dandruff is the result of a germ burrowing into the scalp, and that permanent cure of dandruff and its consequent falling and baldness, can only be had by killing the germ; and there is no other preparation that will destroy that germ but Newbro's Herpicide. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
Two sizes—50 cents and \$1.00.

MME. MARIE SYLVESTER

The World's Acknowledged Queen of Palmistry and Clairvoyancy.

Hundreds in this city have tested her marvelous power and pronounced her to be the most wonderful and gifted clairvoyant and palmist ever in the city. But owing to her inability to wait upon many who have been turned away, she has concluded to remain another week and give all an opportunity. This positively ends her stay in the city and those who have not consulted her and wish to should do so at once. Such an opportunity may never present itself again.
