Friends of Mike Foster, a former resident of North Platte, will regret to learn that he is confined in the asylum at Evanston, Wyo. It is said his insanity is of a hopeless nature, but what brought it about we have not been able to learn.

Secretary McAbee and his boy travelers spent Sunday in Lexington, and went eastward on the tramp yesterday morning. It is doubtful if they will continue the walk as far as Hastings, as it will require longer time than they anticipated.

A ball game between the U. P. shop team and the Originals will be played next Monday afternoon beginning at four o'clock. These teams are evenly divided as to experienced ball players, and a strong game is expected. This game will be another feature of the Fourth of July celebration.

#### Fourth of July Features.

As the Fourth of July approaches it is apparent that the celebration in North Platte will be more elaborate than any given in recent years. Several new features will be introduced, one of which is displays of Japanese fireworks. There will be two exhibitions of these fireworks, one about five o'clock—immediately following the races—the other at night. Another feature not new, but not seen here for a number of years, will be the balloon ascensions and parachute drops, of which there will be two, one in the forenoon and one in the evening.

The automobile races promise to be one of the big events of the day. Several inquiries have been received from parties at Ogalalla and Brady relative to the races and it is probable there will be entries from those places. The exact course over which the cars will run will be announced in a day or two. There promises to be a good list of entries in the motorcycle races.

One feature of the parade will be the floats, of which there promises to be more than the usual number. In addition to those representing business houses, there will be several by the fraternal societies.

The several contests by the fire department will be warmly contested, practice work for the races having started several days ago.

There will be the usual number of minor races for men, boys and girls.

#### Bryan No Longer An Idol.

Mr. McCune, of Omaha, spent Saturday in town ostensibly in the interests of the World-Herald, but in reality to feel the pulse of the democrats as to their preference for United States senator, as between Hitchcock and Bryan. His visit here developed the fact that some of those who "make" democratic politics in Lincoln county do not idolize Bryan as they did in former years; in fact some of the former Bryan worshippers are now Hitchcock boomers, and to find that this condition existed proved pleasing to Mr. McCune. Incidentally a leading democrat asserted that petitions nominating Bryan for senator had been received here for signatures, but they had been returned without a signer.

#### Entertains at Cards.

The thirty members of the Harmony Club and several invited guests passed a delightful evening Friday at the well appointed home of Mrs. J. C. Federhoof, who was assisted by her daughter Mrs. G. S. Huffman. The entertaining feature was high five, eight tables being in use and a dozen or more games played. Miss O'Connor won the ladies' prize and Mrs. Fred Waltemath the ladies' consolation. Fortunate in having partners who were better card players than themselves, Fred Waltemath and Mr. Bare won the same number of games and in cutting cards to decide the tie, the latter won. The gentlemen's consolation emblem went to C. S. Clinton.

At midnight an enjoyable two course lunch was served, Misses Irma Huffman, Helen Waltemath and Mayme Pizer assisting.

#### Drouth is Broken.

The protracted drouth which covered this section of Nebraska was broken Friday afternoon by a heavy rain which continued for about twenty minutes and during which six-tenths of an inch of crop reviver fell. This was followed by another rain at nine in the evening, when five-tenths of an inch fell.

This rain will have a very beneficial effect on corn, pasture fields and hay land, and will probably help out some of the small grain. In most cases, however, the rain came too late to save the small grain crop, especially oats and barley.

In the county court Saturday the case of the state against Mrs. Eliza Nation was heard. This was a case wherein Walter Recard filed a complaint that Mrs. Nation be placed under peace bonds. In the complaint Recard said that on May 15th Mrs. Nation threatened to run a pitchfork through him, and on the following day said she would kill him if it took a life time.

Mrs. Nation is a woman weighing about 300 pounds, and seems to have a temper commensurate with her weight. The evidence in the case showed that both the plaintiff and defendant were quarrelsome each with the other and both were bound over to keep the peace.

#### A Friendly Warning.

Motorcyclist must reduce their speed on the streets to the limit provided by ordinance and keep their lamps lighted, or arrests will follow. There is no desire to cause anyone trouble, but this warning must be heeded. This also applies to drivers of automobiles. By order of THE POLICE.

#### The Farmers' Picnic.

Should the weather prove pleasant a large crowd is expected to be present at the third annual picnic to be held at the experimental sub-station next Thursday. The picnic has been well advertised in the section between Lexington and Sidney, and it is believed that many farmers will come for the purpose of seeing the experiments in dry farming which have been conducted on the farm. To see what has been accomplished in this line is certainly worth the while. The cowboy band will be in attendance and State Senator Brown will deliver an address on dry farming.

#### So The People May Know

What a real luxury is after dinner, just try a Platte Valley or Amora Cigar. Give it a fair and impartial test. Don't think because it is made in North Platte that it is not good. We will guarantee our goods to be made of the very highest grade of Domestic and Havana tobacco on the market. Our output this month is 10,000 cigars more than last month, the largest month yet. Why? Because we deliver the goods. Quality tells.

Five head of horses and four mules were burned to death in a fire which destroyed the barn of Sigel Melton southwest of Wallace. One thousand bushels of grain, several sets of harness, three saddles and other property were burned.

Ladies' Hats at your own price, to close out, at The Leader.

Rev. T. B. Greenlee, of Omaha, who assisted at the dedicatory services at the Presbyterian church Sunday, left today for Colorado, where he will spend a month's vacation. Mrs. Greenlee will remain in town for a few days and then return to Omaha.

Ladies' Shirts, in china silk, black and white, just the cool garments for hot weather, have just arrived at The Leader and are being sold at a discount of twenty per cent.

Mrs. O. R. Robinson very pleasantly entertained sixteen young ladies at a pre-nuptial china shower in favor of Miss Vera Sitton on Friday afternoon. After an amusing guessing contest each guest was given material out of which she was to make satchel bags for the bride's trousseau, and these proved to be pretty as well as useful. Miss Sitton was the recipient of many beautiful pieces of china and at the close of the afternoon enjoyable refreshment were served.

#### THEY NEVER FAIL.

That is What They Say About Them in North Platte, and It is Therefore, Reliable.

Another proof, more evidence, North Platte testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation:

H. G. Brooks, North Platte, Nebr., says: "Early last fall I had occasion to use Doan's Kidney Pills when suffering from piercing pains and a stiffness through the small of my back and kidneys and I received great benefit. The kidney secretions were too frequent and painful in passage and during the night I was obliged to get up many times. I always felt tired and miserable and I was falling rapidly in health when I procured Doan's Kidney Pills at Mc Donnell & Graves' Drug Store. They helped me from the first and after I had taken the contents of two boxes, I was cured. I am glad to recommend this remedy to other kidney sufferers."
