## The Ladies of the Maccabees of the World is the Original Woman's Order on Adequate Rates—Has \$4,300,000 on Hand in Reserves.

Local members of the Ladies of the Maccabees of the World have called attention to the confusion which seems to exist in some quarters regarding the Ladies of the Maccabees of the World. The Ladies of the Maccabees of the World was established in Port Huron, Mich., in 1892. It was no connection with any other Order of woman, being associated only with the Knights of the Maccabees of the World, a men's order on adequate rates, to which order it is co-ordinate. Its management is and has always been wholly by women and its funds have always been entirely separate from those of any other order.

It is a voluntary association, incorporated under the laws of the state of Michigan, and is licensed and doing business in fifty-four states and provinces of the United States and Canada, of which eleven absolutely require the collection of National Fraternal Congress rates by each society seeking to be admitted to the states. The states making this requirement are Iowa, Oklahoma, North Dakota, Vermont, Washington, Wisconsin, Maine, Massachusetts, Louisiana, Ohio, and Tennessee.

The Ladies of the Maccabees of the World receives the respect and confidence of every member and of the public for it is a sound financial institution with funds deposited in the Commercial Bank of Port Huron amounting to nearly four and one-half millions of dollars. These funds are in the form of high grade interest-bearing municipal bonds.

The Association is widely known among business men from coast to coast as a responsible business institution with a high standing as to financial stability, fair dealing, and honesty in all of its relations. A letter recently written by Hon. James V. Barry, Insurance Commissioner for Michigan, in response to an inquiry with regard to the Order, is a strong endorsement of

the society's reliability:

Dear Madam:—Answering your inquiry of the 3rd inst. permit me to say that The Ladies of the Maccabees of the World is financially one of the strongest fraternal societies doing business in this state. On December 31st last, this society had admitted assets of \$4,316,911, and liabilities of \$130,022. The larger portion of the society's invested assets is in high grade municipal bonds. Very respectfully,

JAMES V. BARRY,

Michigan Commissioner of Insurance. Mrs. Lillian M. Hollister, of Detroit, and Miss Bina M. West of Port Huron, Mich., are respectively Supreme Commander and Supreme Record Keeper of The Ladies of the Maccabees of the World, and to their leadership may be ascribed much of the success which has come to the Association. As early as 1895 only three years after the society was organized, these officers began to instruct their members on the danger of "cheap rates" and the campaign of education was kept up without interruption thereafter, making it clear to all why the collection of adequate rates was necessary for the perpetuity of any society offering life protection. In 1897, the accumulation of a reserve began, and steps were taken from time to time after that to increase the reserve so that it should be sufficient to care for the "promises to pay" of the order.

As above stated, this reserve now amounts to \$4,300,000 and is rolling up interest at the rate of over \$170,000 annually. In other words, just the interest on this reserve brings in each year \$50,000 more than one assessment on the whole membership.

This order stands by itself at the head of all orders for women, and is the original woman's order to adopt adequate rates and build up a reserve to protect its contracts. It is first in fraternity, first in stability, first in the hearts of its members.

Walt Beam returned yesterday from a month's trip which included Billings, Sheridan, and other cities of the northwest.

With the serving of supper Friday the cafe at the Hotel Timmerman was closed. This was not so much due to lack of patronage as it was inability to secure the right kind of employes, and this caused Mr. Timmerman more grief than he cared to shoulder. It is probable that some arrangements will be made to re-open the cafe, negotiations now being made to that end.

The Catholic Young Ladies Club was entertained Friday evening at the home of Miss Mary Elias. The affair was of a farewell nature for Misses Dye and Lemmer, two members of the club who will soon leave North Platte. While the departure of these two young ladies is very much regretted, the evening proved a most enjoyable one for those present. The entertaining feature of the evening was a hunt for traveling articles which were hidden about the rooms. These articles when found by the guests were presented in miniature suit cases as favors to the guests of honor and in behalf of the club, Miss Hannah Keliher presented each with a souvenir spoon. At the close of the evening seasonable refreshments were served by the hostesses.
