Upon his return from Washington to Chiengo the early part of the week Senator Lorimer was greeted as a hero, several thousand lining the streets and "showering flowers upon him." We trust these frenzied admirers were not secured on the same basis as it was reported votes in the Illinois legislature were secured.

W. J. Bryan recently stated that he did not consider Governor Harmon an nomination for president. This moves Governor Wilson up a notch or two ford. among the possibilities. While Mr. Bryan's attitude toward Governor Harmon may not govern, it will nevertheless cut some figure.

If the members of the new congress pay attention to the needs of their personal pocketbooks as well as the comfort of the country they will pass a reciprocity measure and adjourn before the Chautauqua season opens. It is said that Champ Clark stands to lose engagements worth \$9,000 to him if congress remains in session through the dog days. - Lincoln Journal.

Rubber, which for a time source above two dollars a pound, has dropped to about a dollar. The increase in the production last year was ten thousand tons, hence the decrease in price. When automobiles became so popular everybody looked for a big advance in rubber, which came, but at the same time the rubber plantations increased wonderfully in number and the supply more than kept pace with the increased

in this country is time of peace is now & Co. under way by order of the president as commander-in-chief of the army and navy, the objective point being the country north of the Mexican boundary and waters of the two oceans at either end of it. Twenty-two thousand soldiers-more than one-fourth of the army of the United States of all arms of of the service are moving toward the Mexican border. Four armored cruisers, comprising the fifth division of the Atlantic fleet, have been ordered from the northern waters to the naval station at Guantanamo, Cuba, and most of the Pacific fleet is, or shortly will be, on its way to assemble at San Pedro and San Diego, Cal., and 2,000 marines are pre-paring to make the Guantanamo station paring to make the Guantanamo station temporary headquarters. It was officially announced at the white house and at the war and navy department teday that the purpose of this great mobilization, unprecedented save in war times, is the training of officers and men under service conditions and practice in cooperation between the naval and land forces. Houseal pains were taken by forces. Unusual pains were taken by all officially concerned in the matter to give this color to the sudden activities but these statements were accepted with increasing reserve.
