Do Your Part.

With the season of extreme hot weather now upon us, unusual care should be exercised to keep your alleys and yards free from unsightly and nauseous corruption such as the foul manure heaps and the loathsome garbage cans which are so often carelessly or rather thoughtlessly permitted to exist in out-of-the-way places.

It must be admitted that North Platte is happily infested with but few of the class of individuals who are indifferent with regard to the appearance of their homes and business places, the sanitary conditions of the city, or the feelings and rights of their fellowmen.

Let us strive toward improvement in every way so that people will point to North Platte as a model city, where they will want to come and live and cast their lot.

All Honor to Buffalo Bill.

Just when the sun is scorching its way over the summer days, and you snuff down the desk top, jerk your straw hat from the peg on the wall, telephone home to the wife and little ones to get ready for a day's outing in the summer park, and soon after start with lunch baskets for a short success from the toil and sweaty strife of the big city, did you ever think who gave you that amusement park, the one man in all this world who conceived an idea, the fruition of which means the amusement parks as you find them scattered through out the land?

On July 4, 1882, the citizens of North Platte, Nebraska, decided to hold their first fourth of July celebration.

Attorney M. D. Rhea came up from Lexington yesterday morning to attend the adjourned term of district court, which is now in session.

minds took up his suggestion and today we have the result, the Coney Island of New York, the Luna Parks of a hundred cities, the Venice of California and the Manchesters of London.

It's no wonder then that now on his farewell the citizens are anxious to do him honor. That they are waiting with open arms to greet the old scout for the last time in the saddle, it is not surprising that the railroads are already laying plans for the most extensive excursions that they have ever planned.

The State Press Association meet last week was the best and most interesting in every way the boys have held in many a year and all were glad to be there and partake of the genial good fellowship and hospitality of the Omaha people, who made their stay one continual round of pleasure and interest.

Elsewhere H. J. Runner announces himself as a candidate for the republican nomination for county commissioner from the Third district.

Any Mites in Your Poultry House?

Go after them right with Conkey's Lice Liquid. That will get them. It drowns them out in the cracks, where they breed and thrive and hide away through the day until the fowls come back to roost at night. Get into old clothes and with a sprayer or sprinkling can full of Conkey's Lice Liquid, go over the whole place and paint the roosts with the same stuff. Try this. We guarantee it effective. Homeopathy Principles

Similia, Similibus, Curantur.

A like remedy will cure a like disease—as a remedy which has the same symptoms, or produces the same in the well, will cure those in the sick, and with nature's help will cure quicker than any other, and with less expense to the human economy. This system of medicine has at its command anything in the realm of cure, such as electricity in any form, the Vibrator, Massage, Hydrotherapies. Therefore the correctness of choosing this line of treatment, rather than whims with a single borrowed idea.
