### City Day at Chautauqua.

Hastings, Neb., June 28, 1911.  
Secretary Wilson Tout,  
North Platte, Neb.

My Dear Sir: In answer to your inquiry I take pleasure in saying that we inaugurated last year at the Hastings Chautauqua what is called "Hastings Day." Practically all of the business houses were closed on the afternoon of that day and this gave both proprietors and employees an opportunity to hear the special program arranged for that day.

We expect to make that a permanent feature of our Chautauqua and believe it to be one of the most helpful aids in promoting interest in the assembly. We make a special effort to provide an attractive program for that day, giving special attention to musical features and such entertainment as will be most appreciated by a popular audience.

Very sincerely yours,  
A. E. TURNER, Secretary.
