SHORT STORIES OF PEOPLE AND THINGS

ITEMS OF INTEREST ABOUT RECENT HAPPENINGS IN THIS COMMUNITY

Lew Grady was given thirty days in county jail and costs for selling intoxicating liquors, Wednesday. The costs amounted to something over \$11.

M. B. Possum has been secured as live stock judge for the Lincoln county fair. He is one of the specialists in the University Extension Service and is eminently qualified for the work.

At the regular meeting of the county commissioners last Monday the offer of Jas. Sadle to rent the poor farm, southwest of this city was accepted. It contains 160 acres and rents for \$300 cash.

Mr. and Mrs. Henry Burkland were arrested yesterday for using language intended to provoke a quarrel or something to that effect. They live at 709 W. Tenth. They will be in county court today.

Word was received here this morning of the death of Mrs. John Knox at Kimball, Nebr. Mrs. Knox had been visiting her daughter, Mrs. Harley Bonham. Death was due to heart failure.

Mrs. Ellen Dodge, arrested in the raid on the LeMaster rooming house last Tuesday night, was bound over to the district court and placed in jail with three other women inmates who are held as witnesses.

The foundation has been laid and work is in progress on the new store building which is being built on North Locust street by the Lamb interests. Mr. Lamb will open a general merchandise store there as soon as the building is completed.

After hearing the evidence in the case and considering it for a brief period, Judge Woodhurst sentenced Edw. Stroup to 30 days in jail for bootlegging. It seems the intention of the Judge to impose jail sentences in liquor cases, the idea being that fines do not punish or prevent their repetition.

LIVESTOCK JUDGING TEAM FOR STATE FAIR IS NOW SELECTED

County Agent Kellogg announced yesterday that George Koch of Hershey, James Rosse of Maxwell and Osee Rosse of Maxwell are the members of the Lincoln County Live Stock Judging Team for 1922. These young men were selected after a careful consideration of all of the members of the clubs, by M. B. Possum of the University Extension Service. They were with the group which made the rounds of the county last week and studied the live stock on some of the best farms in the country.

Mr. and Mrs. Cody Boal arrived this week from Chicago for a vacation visit with Mrs. Boal's parents Mr. and Mrs. John Day. Mr. Boal is now connected with a Chicago house which is putting out radiophone sets. He says the outlook for this line of business is good and new uses are being found all the time for radio. They like Chicago and say it is cooler there than in some of the other parts of the country.

Miss Ethel Hill, accompanied by her mother Mrs. M. H. Hill of Kearney are visiting Mrs. Fred Perrott this week. They are on their way to Yellowstone Park where they will spend a week or more sight-seeing. Miss Hill attended North Platte high school and graduated at the head of the class of 1908. She is now teaching in the Kearney high school during the regular term and in the State Normal during the summer.

Sheriff Salisbury and County Attorney Keefe staged a raid on a number of rooming house resorts here Tuesday night and filed a number of complaints against the keepers for bootlegging and similar charges. A number of deputies were sent to the different places and after seizing the persons of the inmates they waited for the Sheriff to get through searching one place before he went on to the next. Beer was found in several places and in some resorts the women were ordered out of town and threatened with arrest if they returned. In the LeMaster rooming house, a full sized brewing outfit was found with a large quantity of mash and about 200 bottles of beer. The woman who was running the place was arrested and placed in jail. The cases are being disposed of as fast as the evidence can be gathered and arranged.

NOTED PHYSICIAN IS CALLED AWAY

DR. NICHOLAS McCABE PASSES AWAY AT HIS HOME IN THIS CITY

After suffering for some time from a complication of diseases due to heart trouble, Dr. Nicholas McCabe died Tuesday evening at his home on west fifth street. All of his immediate family were with him at the time of his death which was not expected although they knew he was pretty sick. He has been a practicing physician and surgeon of this city for more than thirty-five years, having been Union Pacific surgeon for the past twenty-five years.

Dr. McCabe was born in County Louth, Ireland, Dec. 25, 1854 and died at North Platte, Nebr. August 8, 1922 at the age of 67 years, 7 months and 13 days. His father was John McCabe who was a successful farmer of Ireland and whose place is still maintained by one of his sons. Dr. McCabe was one of ten children, only two of whom ever came to this country. When the Doctor was twenty years of age he tired of the lack of opportunity and leaving home, made his way alone to New York. He proceeded on to Buffalo where with his father's help he began the study of medicine and graduated later from the University of Buffalo. After spending two years in New York state he came to North Platte in 1886, and settled here. He became one of the leading physicians at once and has attained his prestige for more than thirty-five years. In addition to being successful in his profession he has been a close student of the times, and has shown financial ability in placing his earnings in channels which gave him large returns. He has been in business a number of times in North Platte and has invested largely in farm and ranch land. He built the Hotel McCabe and owned it at the time of his death.

Dr. McCabe is a good member of the Catholic church and was faithful to its standard in both teaching and practice. He was a member of the Knights of Columbus, which order he has served as its first grand knight. He was also a member of the Elks. He was perhaps as widely known on account of his politics as on account of any other activity except his profession. His democracy was never questioned and he served the party loyally and often. He was elected mayor of North Platte for three or four terms, the last term being by a majority of two to one on a platform of municipal ownership of the water-works. He served two terms as member of the board of education of this city and was elected vice-president of the board.

In 1888 he married Miss Mary O'Connor and they were the parents of four children, Arthur, Marie, Clarence and Nicholas, all of who are now living and were with their father at the time of his death.

The funeral is being held from the Catholic church this morning.

MUTUAL BUILDING & LOAN HOLDS ITS OWN IN STATE LEAGUE

Secretary Fitzmorris of the State League of Building & Loan Associations reports. "An unexpected forward leap was scored by the Building, Savings and Loan Associations of Nebraska during the fiscal year ending June 30, 1922. Advance official reports from the leading Associations of the state, doing 90 per cent of the total business, show assets amounting to \$80,844,967.00, a gain over the preceding fiscal year of \$7,432,862.00. Should the remaining Associations, whose assets totaled \$10,640,151.00 twelve months ago, maintain the gain average of the reporting Associations, the aggregate assets of all of the Associations in the state will approximate ninety-two million dollars, ten per cent over the total for the fiscal year 1921."

The assets of the Mutual Building & Loan Association of North Platte, June 30 was \$1,669,277.39, a gain for the year of \$179,865.73, a little over twelve per cent.

Mr. and Mrs. M. K. Neville are expected home the first of the week. They have been visiting in Charleston, West Virginia.

FARM BUREAU PLANS HEALTH CAMPAIGN

CHILD WELFARE SPECIALISTS TO HOLD MEETINGS IN COUNTY

The Lincoln County Farm Bureau is planning a series of meetings looking toward making Lincoln county children more healthy and efficient. The campaign consists of a series of preliminary meetings by Miss Florence Atwood, nutrition specialist of the University extension service during this month and the final lectures in October by the world-renowned Dr. Caroline B. Hedger of Chicago.

Miss Atwood will be in the county August 15, 16, 17 and 18 and will give illustrated lectures showing the signs of malnutrition among underweight children and how these children were able to overcome their handicap and become strong and vigorous as their playmates. Parents having children who seem to be hale and hearty will be much interested in this work for they will want to know the signs of malnutrition and what to do if these signs appear later in the child's life. These meetings will be held in the following places and at the time scheduled:

Bignell school house, 8 p. m., August 15; Wallace community hall 2:30 p. m. (their time) August 16; Platte Valley school house, 8 p. m. August 17; Diener school house, 2:30 p. m. August 18.

During the early part of October the meetings by Dr. Hedger will be held. Dr. Hedger is a Child Specialist from the Elizabeth McCormick Memorial Fund. She will be in the county in October at which time she will meet with the teachers and parents in different parts of the county. Fathers and mothers will have an opportunity

of learning the health requirements of growing children thru listening to Dr. Hedger as she gives a physical examination to an under-weight child.

In speaking of the campaign yesterday, County Agent Kellogg said: "Dr. Hedger's work will not be fully appreciated unless those who attend her meetings can also attend these preliminary meetings by Miss Atwood. The County Farm Bureau is anxious to make of this campaign a most worth while feature for every man, woman and child in the county. Every woman's club should attend as a whole or send representatives to report at a later club meeting."

BOOSTER DAYS FOR BASE BALL

SUNDAY AND MONDAY GAMES VS CHEYENNE TO TELL THE TALE

If the North Platte American Legion ball team does not receive enough support at the Sunday and Monday games with Cheyenne to satisfy the needs of the team it is more than likely that it will be disbanded for the rest of the season. At least that is the hope we get from the base ball fans. Cheyenne has probably the best team the locals have played so far this year and the game will be interesting and exciting. Everyone who has the interest of base ball at heart is urged to be at one or both of the games.

In a statement yesterday, Manager Peterson said—"The Cheyenne club carries the pick of Wyoming as far as ball players are concerned. In Jimmie Murray, the popular air mail pilot they have a short stop of big league timber and as for his brother Eddie, who cavorts at 3rd, the fans will see one who has been in the big show and belongs there yet. In center field, to match our own 10 second Cool, they have Severino. This young Italian lad carried away all the loving cups at the last year's Denver Post Tournament as best all-around player. His specialty is hitting home runs. Pickett of the University of Nebraska needs no introduction and will pitch the game here Sunday according to the dope now in. The whole club are more than ordinary ball players and it will give the people of North Platte a chance to see two real clubs in action.

Mrs. Emmett Knight is ill at her home on West Sixth street.
