D. D. Davis drove up to Nemaha a few days ago and bought a fine large range of Andrew Aynes. He already had one big one, but bought another one to put in the summer kitchen, so he would not have to move the stove in the spring and fall.

Uncle Sam Brimble says he has the best foundation under his new house of any man in town. He certainly has a good foundation, and will have a good house when it is completed. Taylor Gillespie and Fred Seabury are doing the stone work and plastering, and H. H. Vonfelden the carpenter work.

Miss Harris, the South Auburn milliner, has the latest styles and lowest prices.

There were two changes in Nemaha county postoffices this week. J. N. Simmons was appointed postmaster at Glenrock, vice Wm. Pierce, resigned, and S. A. Hickman was appointed postmaster of Howe, vice W.B. Smith, resigned.

T. H. Railsback, Miss Celia Railsback and Miss Lydia Skeen, of Auburn, were initiated into the order of the Eastern Star, of Nemaha, Monday night. Refreshments were served after the ceremonies of initiation and election of officers of the Star, and of course all had an excellent time.

There are two or three persons in Nemaha that do not like THE ADVERTISER, but these same parties always manage to borrow a copy, and are always the first to find fault with anything they do not like. They talk as loud about it as if they bore all the expense of the publication of this paper, but they never contribute a cent. Now watch them flutter.

J. H. Veeder, who has been principal of the Nemaha schools for the past four years, has certainly given splendid satisfaction as a teacher. The graduates of our schools who have taught have all made fine teachers. He has brought the Nemaha school up to a high grade, and it is recognized as one of the very best schools of the state of its grade. Mr. Veeder's health is not good, and he will retire from teaching for the next year. We are pleased to learn that he has no intention of leaving Nemaha.

The school board met at the school house Monday night for the purpose of engaging teachers for the ensuing year. The applications of a number of teachers for each department were read. It was decided, however, in view of the indebtedness of the district, to have only two teachers for the next year, the primary teacher to get \$40 per month and the principal \$50 per month. A ballot was taken for principal and W. L. Davenport was elected. Miss May Brooks was elected teacher of the primary department. Mr. Davenport taught the intermediate department this year, and gave the very best satisfaction. Miss Brooks has taught the primary department for three years, and is one of the most successful primary teachers in the state.

Doctor H. R. Fish, of Gravois Mills Mo., a practicing physician of many years experience, writes: De Witt's Witch Hazel Salve has no equal for indolent sores, scalds and burns. It stops pain instantly, heals a burn quickly and leaves no scar. M. H. Taylor.

If you want to see one of the best entertainments ever given in Nemaha, attend the concert to be given tomorrow (Saturday) night by the primary department of our public school. Miss May Brooks has trained the children carefully, and the entertainment is said to be the best ever given by the primary department, and all of them have been first class. To see these children go through the drill is well worth the price of admission, which is only 10 cents. Reserved seats 15 cents.

For latest styles millinery go to Miss Harris, at South Auburn.

The Christian Sunday school observed last Sunday as Children's Day. The exercises were held in the evening, and were fine. There were recitations by the little ones, songs, etc. The marching when the children came on to sing the choruses was excellent. Every word spoken in the recitations could be heard distinctly all over the church. Much praise is due the superintendent, H. E. Williams, and to Miss Mary Chamberlain and Mrs. May Veeder for training the children. The collection amounted to \$10.39 which goes to the foreign mission cause.

The following, taken from the Rockport (Mo.) Mail, refers to the death of a former well known citizen of Nemaha:

Jerome Tann died of typhoid fever fever at the home of his son-in-law, Henry Enoch, on Tuesday morning, May 28, 1895. His funeral took place at the Christian church on Wednesday at 2 o'clock p. m. Dr. B. E. Dawson and Rev. B. F. Armstrong were the officiating ministers.

Mr. Tann had passed his 70th year. He was a native of the state of New York. When a youth his parents emigrated to Miami county, Indiana, and there he grew to manhood. He afterwards settled in Nemaha county, Nebraska, where he married and remained a number of years. His residence in this county and city dates back 22 years.

His sickness was of short duration. All that loving hands could do was bestowed on him in his last hours.

His remains now lie in Elmwood cemetery.

Yours very truly,

Sunday night Kerker & Hoover's shop was entered and some postage stamps and pennies taken. The next day a young fellow who has been around town for a few days tried to trade postage stamps at the stores, and was promptly arrested and taken before Squire Gilbert, when he confessed to entering the shop. He was fined \$5 and costs, which has been settled and the young man released. On account of his parents, who are respectable people, we refrain from giving his name. This is said to be his first offense, and we trust he has learned a lesson that will prevent him from ever again trying to get anything dishonestly.
