THE COUNTY FAIR.

Everything indicates that the Nemaha county fair at Auburn Sept. 26th to 29th will be the most successful ever held in the county.

A race circuit has been formed with Otoe, Gage and Lancaster counties, which ought to bring the largest field of good horses ever seen in this part of the state.

In addition to a splendid speed program the management has secured as a special attraction a Roman chariot race between four black horses and four white ones, and a slide for life, which consists of a lady starting at the top of a 50 foot tower and sliding down a wire to the ground on a pulley, hanging by her teeth.

Each of these special attractions will be given every day. In addition to the entertainment it is expected that there will be a better display in all of the departments than ever before. This, however, will depend on the exhibitors. Liberal premiums are offered and if the farmers and others will take interest enough to take in their products we will have a good fair. Let everybody take something to the fair.

THE LINCOLN STREET FAIR.

Spend the week beginning Sept. 18th at Lincoln if you want to see the biggest thing in the way of street fair ever held in the west. Everything is free—the agricultural exhibit, the band concerts, the parades, theatrical performances, balloon ascensions and fireworks. For six solid days you can fairly revel in fun. You can see hundreds of odd and interesting things—every one of them without a cent of cost.

Extraordinarily low rates via the Burlington Route, Sept. 18th, 19th, 20th and 21st. See the local ticket agent. J. FRANCIS, Gen'l Passenger Agent, Omaha.
