I had dyspepsia fiftyseven years and never found permanent relief till I used Kodol Dyspepsia Cure. Now I am well and feel like a new man," writes S J Fleming, Murray, Neb. It is the best digestant known. Cures all forms of indigestion. Physicians everywhere prescribe it. Keeling

The experiment of making a railroad dust proof and water proof by the use of crude oil has been tried during the past year in the east with success. In the west the Burlington is the first to adopt the improvement. General Superintendent Calvert has had part of the Wyoming division of the Burlington treated with crude oil and the results there have been so satisfactory that he is making arrangements to continue the work elsewhere on the system. Two cars were especially arranged for sprinkling the track and roadbed with the oil. Oil was sprinkled in the center of the track and on the outside of the rails for about five feet. One application keeps the track free from dust for about one year. The number of hot boxes on trains is considerably lessened, and the comfort of passengers is greatly enhanced. An additional advantage found in treating the track to oil is that moisture will not then penetrate through the oiled outer crust. Instead, the water runs off the track into the ditches at the side. Vegetation is destroyed along the track by the use of oil.

J D Bridges, editor Democrat, Lancaster, N H, says: "One Minute Cough Cure is the best remedy for croup I ever used." Immediately relieves and cures coughs, colds, croup, asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption. Keeling

It has wide vestibules; Pintsch gas light back seats; a patented Pullman porter; clean bedding; spacious toilet rooms; tables and a heating range. Being strongly and heavily built, it rides smoothly; it is warm in winter and cool in summer.
