**Over-Work Weakens Your Kidneys.**  
Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Elmhurst, N. Y.

**W. W. ANDERSON, Publisher.**  
SUBSCRIPTION, \$1.50 PER YEAR  
FRIDAY, DEC. 1, 1899.

Ex Senator Thomas W. Tipton, for many years a resident of Brownville, but who for some time has been living at Washington, D. C. died at his residence in the latter city Tuesday evening, after a long illness, aged 82 years, 3 months and 23 days.

The Masonic lodge gave a supper Friday night of last week and the editor and family were among the fortunate ones invited to partake of the feast. To say that we enjoyed the occasion is to express it very mildly. We do not know whether the wives of all the Masons excel as cooks or whether only the good cooks take part in preparing the supper, but are inclined to the former belief, judging from the amount of good things to eat and the fact that everything was first class.

The exercises were held in the Masonic hall and the supper was served in Mrs. Fairbank's millinery parlors. The audience was called to order by James A. Titus, who stated that it was the custom from time immemorial for the Masons to have a supper on St. John's day, December 27th, but that this year the lodge decided that on account of the bad weather we so often have about the last of the year they have the supper earlier. After several songs by Misses Mellie, Flo and Lillie Minick, Minnie May and Veva Clark Rev. E. S. Murphy made a good talk and Dr. Keeling also talked a little, saying the supper was got up on short notice and on the impulse of the moment. The wish was immediately expressed that the lodge have such impulses often. Recitations were given by Miss Edna Thompson and Miss Nina Skeen. Those present then enjoyed themselves in social conversation, games, etc.

The supper was a feast. Fresh oysters, chicken, ham, pie and cake, and other good things in great variety and profusion, and everything was of the best.

Every one present seemed to have a good time and few left before midnight.

"Mr. Dooley's" neighbor, "Molly Donakue," makes her debut in the Christmas Ladies' Home Journal. She is ambitious to reign as social queen of Archey Road, and is quite as interesting and witty as "Mr. Dooley," the philosopher of the author's creation. Rev. Cyrus T. Brady draws on his experience as missionary to write of "What Christmas Means in the Far West," giving pictures of rare pathos and of irresistible humor. The letters that passed between Gail Hamilton and Whittier are published for the first time. They give some delightful glimpses of the social life of "the Quaker poet." Ian Maclaren writes on "Shall the Old Clergyman be Shot?" and Albert W. Smith (the American Lewis Carroll) contributes more of his wonderfully funny nonsense verses. Dan Beard interests the boys with a Christmas novelty, and an exquisite carol by George W. Cable is timely for Christmas rendering. There are two notable page pictorial features, "The Nativity," from the brush of W. L. Taylor, and "Coming Home for Christmas" by A. B. Frost. The holidays are considered in all their phases, and the wants of the home and home-makers are anticipated. By The Curtis Publishing Company, Philadelphia. One dollar a year; ten cents a copy.

He says: "Electric Bitters are just the thing for a man when he is all run-down and don't care whether he lives or dies. **How Is It Done?**

The remarkable success attending the work of Prof. Theo Kharas, of Nebraska City, has caused the thinking class of people to ask "How is it done?" The method is easily explained to those who will lay aside old prejudiced notions long enough to send for literature explaining it. **The Kharas Method of Magnetic Healing.**

appeals most to educated, thinking people. The ignorant and superstitious are afraid to investigate any new science. Prof. Kharas cures all curable and many so-called incurable diseases without the use of drugs or surgery. He also possesses the wonderful ability to cure certain diseases at any distance, without ever seeing the patient. This is what he calls the "Absent Method." Many almost miraculous cures have been made, and by writing you can get a long list of testimonials and sworn statements by prominent people who have been restored to health by this means. Recorder of deeds Chas. C. Brandt, Nebraska City, had lost entire use of right hand and arm by paralysis; other methods failed and he couldn't work. Prof. Kharas treated him and he went to work in four days, and in six days he was entirely cured. Mr. Jas. McCain of Council Bluffs, Ia. had lost the use of both lower limbs; in three days he could walk, and cured in less than two weeks. Editor Brown of the Nebraska City Daily and Weekly Press says: "He (Kharas) undoubtedly does a great deal of good, and personally cannot thank him enough; my rheumatism is all gone, and my eye, where burned, does not trouble me any more." Mrs. N. Brusha, a prominent Nebraska City lady was cured of nervous prostration of ten years standing when other doctors said she could never be even helped. Miss May Duncan, Nebraska City, could not turn in bed so badly was she afflicted with inflammatory rheumatism for several weeks. Three treatments by Miss Worman (Matron of the Nebraska Magnetic Infirmary) cured her entirely. Mr. F. L. Kelsey, foreman of the Daily Press cured of nervous headache of 11 years standing by one treatment by Prof. Kharas. Friends and relatives of Mrs. A. Sanquest of Nebraska City, said she could not live an hour; in 15 minutes she was relieved of pain, and in two days was able to be at work; neuralgia of the stomach was her trouble; she has since been successfully treated for cancer of the breast by Prof. Kharas.
