Consul General Osborn of the Samoan Islands, who is a Nebraska man, in a cable to the state department, says every one of his decisions made since the Samoan commission left the conduct of the islands in his direct charge has been accepted not only by the powers interested in the government of the islands but by the natives themselves. This is an unheard-of situation that ever was made is Dr King's New and is most favorably commented on Life Pills. Every pill is a sugarcoated by state department officials, who are globule of health that changes weakness loud of their praise of Osborn, who has into strength, listlessness into energy. come through the ordeal of revolution and change of administration in the Only 25c per box. The Rev. Irl R. Hicks Almanac.

There is no comparison between former editions and this splendid almanac for 1900, now ready. Printed in beaus tiful colors, on much finer paper, its 196 pages are packed with invaluable "I don't see why my freedom of speech information on storms, astronomy and meteorology. It is illustrated with let the gentleman from Massachusetts nearly 200 finest half tones and other run on, and I didn't understand the engravings. This superb book would sell anywhere for fifty cents, but it costs only 25c a copy, and every subscriber to Rev. Iri R. Hicks' now famous paper. Word and Works, at \$1 a year, receives this elegant almanac as a premium. Word and Works is a recs ognized leader among the best family and seventific journals, while nothing or its kind can compare with the Hicks A manac. One dollar a year is a nomin at price for such unique and useful taiblications. Professor Hicks bas jistly and of necessity withdrawn his s own and weather forecasts from all his time and labor free for nearly twenty years. Word and Works Pub. Co . 2201 Locust St., S . In tracing the decline of the use of classical quotations in legislative bod Judge Osbern holds the position to ies, the Boston Herald cites the case of Edward Everett, who once concluded citation of a passage from Tacitus, and then took his seat. No sooner was he brough than up sprang a burly member from what was then a frontier state of the west. He had once been an Indian agent, and no sooner was be on his legs than he began to pour out a vehement harangue in Choctaw. After a while the speaker called him to order. should be abridged," he cried. "You first word of his lingo any better than he does mine." The scene was des scribed as very comical, but it struck the death knell of further classical quotations in a congress that had not the ray of an idea what the unintelli gible lingo of Cicero and Tacitus was
