**Thousands Have Kidney Trouble
and Don't Know it.**
How To Find Out.
Fill a bottle or common glass with your
water and let it stand twenty-four hours; a
sediment or settling
indicates an
unhealthy con-
dition of the
kidneys; if it
stains your
linen it is
evidence of kid-
ney trouble; too
frequent desire to
pass it or pain in
the back is also
convincing proof that the kidneys and blad-
der are out of order.
What to Do.
There is comfort in the knowledge so
often expressed, that Dr. Kilmer's Swamp-
Root, the great kidney remedy fulfills every
wish in curing rheumatism, pain in the
back, kidneys, liver, bladder and every part
of the urinary passage. It corrects inability
to hold water and scalding pain in passing
it, or bad effects following use of liquor,
wine or beer, and overcomes that unpleasant
necessity of being compelled to go often
during the day, and to get up many times
during the night. The mild and the extra-
ordinary effect of Swamp-Root is soon
realized. It stands the highest for its won-
derful cures of the most distressing cases.
If you need a medicine you should have the

Millions Given Away
It is certainly gratifying to the pub-
lic to know of one concern in the land
who are not afraid to be generous to
the needy and suffering. The proprie-
tors of Dr. King's New Discovery for
Consumption, Coughs and Colds have
given away over ten million trial bot-
tles of this great medicine; and have
the satisfaction of knowing it has ab-
solutely cured thousands of hopeless
cases. Asthma, Bronchitis, Hoarseness
and all diseases of the Throat, Chest
and Lungs are surely cured by it. Call
on Keeling the druggist and get a free
trial bottle. Regular size 50c and \$1.

We publish an Oklahoma letter from
E. A. Bourne on one of the inside
pages, and a California letter from H.
W. Shubert on another page. The
latter was written to John D. Shubert
and published last week in the Shubert
Citizen, from which we copied it. Both
letters are well worth reading.

County Judge Neal, who for nearly
two weeks staggered under the honors
of the office and almost fainted when
called upon to solemnize marriage, was
on Monday knocked completely off his
feet by the announcement that a little
messenger from St. Peter's corral had
come to call him papa.—Granger.

An outfit consisting of two men and
two or three women set up a tent near
the B. & M. water tank the first of
the week. Wednesday afternoon the grass
near the tent caught fire and the tent
was burned. It is supposed some one
who wanted to get rid of the parties
set the grass on fire. The outfit then
moved in the old house northeast of
town, near the railroad track. They
are a tough set.

While you are sympathizing with
Boers, English or Filipinos, it is well
to remember that charity begins at
home. Uncle Ezra Rogers is officiat-
ing as cook and housekeeper, and his
better half, who has a broken arm, is
able to be about and see that the work
is done in keeping with the regulations
when she did the work herself; no
washing of dishes in cold water, setting
them away dirty or allowing the cat to
lick them clean, nor any of the ways
of cooking peculiar to bachelor life.—

* James Lowe was in the city last
evening and says that the much talked
of panther has been exposed. He says
that it is a big dog that belongs to John
Cisco, and is large enough to be taken
for a panther by children who do not
wait long enough, after becoming
frightened, to look. The dog is a mon-
ster and has much the appearance of a
panther. He with several others
tracked it yesterday and satisfied them-
selves in the matter. This knocks
Judge Markley's panther out in one
cruel blow.—Nebraska City News.

Ex-Governor Furnas and wife will
leave Lincoln today for their home at
Brownville. They have been in this
city for the last ten days as the guests
of the family of General Furnas' son,
G. G. Furnas. During their stay they
were entertained by many old friends
of Mr. Furnas. It was the first oppor-
tunity Lincoln people had of meeting
Mrs. Furnas, and all were impressed
with her admirable qualities. Her
new acquaintances hope to welcome
her to a permanent place in Lincoln
social circles. This hope may be real-
ized as friends of the family are trying
to induce them to make Lincoln their
future home. Governor Furnas is said
to be considering the matter of coming
to Lincoln to live, but he has not yet
consented.—State Journal.
