Death of Jacob B. Berger.

Mrs. W. W. Sanders received a telegram Friday forenoon conveying the sad news of the death of her father, Jacob B. Berger, who died that morning at 3:29, in Galveston, Texas, where he has been living for the past five months.

Mr. Berger was one of the pioneers of Nemaha county, coming to Brownville in 1856, where he made his home until the spring of 1882, when he moved to the new town of Calvert, now South Auburn. During this time and until 1887 he worked at his trade as contractor and builder, building many houses in Brownville, Auburn, Nemaha and in the surrounding country. His health got so bad that for the past twelve or thirteen years he has not been able to do anything, suffering from heart disease and stomach trouble contracted while serving his country during the rebellion. He had been drawing a pension for many years. In 1888 Mr. and Mrs. Berger moved to Beatrice, making their home with their daughter, Mrs. T. A. Lorance. In the fall of 1894 they moved to Galveston, Texas, remaining there a year and a half, when they came to Nemaha, making their home with their daughter, Mrs. Sanders, until last fall, when they returned to Galveston, in the hope that the change would be beneficial. During the past year or two his health has failed rapidly and his sufferings especially during the past two or three months have been intense.

Mr. Berger united with the Methodist church in Brownville over twenty-five years ago. He was fully prepared for death, and the great change had no terror for him, his only regret being that he must leave his loved ones.

Mr. Berger was married in the spring of 1857 to Miss Rebecca Russell, of Brownville, who has been a faithful helpmeet for almost forty-three years. Besides the devoted wife three daughters and one son survive him—Mrs. W. W. Sanders of Nemaha, Mrs. T. A. Lorance and William L. Berger, of Galveston, Texas, and Mrs. Ben Parker, of Auburn. He was 69 years, 4 months and 9 days old at his death. He will be buried in Galveston.

Ben Parker, the Singer sewing machine man at Auburn, has engaged the services of C. W. Norton, an expert machinist, and is prepared to clean and repair sewing machines of all kinds. If you have a machine you want cleaned or repaired write to Mr. Parker or send him the machine. Second hand machines for sale.

J. E. Conley, the Brownville jeweler, will make regular trips to Nemaha Tuesdays and Wednesdays of each week, prepared to do all kinds of fine watch, clock and jewelry repairing. Nothing but first class work will be done. All work warranted. He also carries a fine line of jewelry. Leave work or orders at the Park hotel.

You never know what form of blood poisoning will follow constipation. Keep the liver clean by using DeWitt's Little Early Risers and you will avoid trouble. They are famous little pills for constipation and liver and bowel troubles. Keeling.

Millions Given Away

It is certainly gratifying to the public to know of one concern in the land who are not afraid to be generous to the needy and suffering. The proprietors of Dr. King's New Discovery for Consumption, Coughs and Colds have given away over ten million trial bottles of this great medicine; and have the satisfaction of knowing it has absolutely cured thousands of hopeless cases. Asthma, Bronchitis, Hoarseness and all diseases of the Throat, Chest and Lungs are surely cured by it. Call on Keeling the druggist and get a free trial bottle. Regular size 50c and \$1. Every bottle guaranteed or price refunded.

J. D. Bridges, editor Democrat, Lancaster, N. H., says: "One Minute Cough Cure is the best remedy for croup I ever used." Immediately relieves and cures coughs, colds, croup, asthma, pneumonia, bronchitis, grippe and all throat and lung troubles. It prevents consumption. Keeling.

Hill camp No. 3832, Modern Woodmen of America, completely took Neighbor Darby by surprise Wednesday afternoon, by sending a load of groceries and good things to eat, and some money. Neighbor John Farnas told Rev. Darby that the Neighbors thought it was going to storm, and they would send in those good things before it came. I'll tell you these Neighbors know how to have a warm camp fire, and to warm the hearts of their Neighbor minister and his good wife. Neighbor Darby, being a Woodman of long standing, is up to Woodman tricks, but says never has he been the recipient of favors more appreciated than this kind act of the Woodmen here. He and Mrs. Darby extend to the camp their heartfelt thanks.—Brownville Sun.
