**The Eminent Kidney
 and Bladder Specialist.**

The Discoverer of Swamp-Root at Work in
 His Laboratory.

There is a disease prevailing in this
 country most dangerous because so decep-
 tive. Many sudden deaths are caused by
 it—heart disease, pneumonia, heart failure
 or apoplexy are often the result of kidney
 disease. If kidney trouble is allowed to
 advance the kidney-poisoned blood will attack
 the vital organs, or the kidneys themselves
 break down and waste away cell by cell.
 Then the richness of the blood—the albumen
 —leaks out and the sufferer has Bright's
 Disease, the worst form of kidney trouble.
 Dr. Kilmer's Swamp-Root is the new dis-
 covery is the true specific for kidney, bladder
 and urinary troubles. It has cured thousands
 of apparently hopeless cases, after all other
 efforts have failed. At druggists in fifty-cent
 and dollar sizes. A sample bottle sent free
 by mail, also a book telling about Swamp-
 Root and its wonderful cures. Address
 Dr. Kilmer & Co., Binghamton, N. Y., and
 mention this paper.

S. C. SHUCK.

Charley Howe has certainly had his
 share of misfortune recently. About
 nine weeks ago he lost a good horse
 from some peculiar disease, the horse
 acting in many respects like it had the
 hydrophobia. Last Saturday or Sun-
 day the mate to this horse became af-
 flicted with the same disease and after
 injuring itself badly was shot to keep
 it from hurting some one or some of
 the other stock. The horse seemed to
 be crazy and would dash at the side of
 the barn or the lot, bite the boards,
 strike with its feet, dash its head
 against anything it came to, and was
 very dangerous. Charley also had a
 good colt die a short time ago. The
 colt got in the barb wire fence and cut
 itself so badly that it bled to death.

The Irl R. Hicks 1901 Almanac.
 What-ever may be said of the scien-
 tific causes upon which the Rev. Irl R.
 Hicks bases his yearly forecasts of
 storm and weather, it is a remarkable
 fact that the specific warnings of every
 great storm, flood, cold wave and drouth,
 have been painly printed in his now
 famous Almanac for many years. The
 latest startling proof of this fact was
 the destruction of Galveston, Texas, on
 the very day named by Prof. Hicks in
 his 1900 Almanac, as one of disaster by
 storm along the gulf coast. The 1901
 Almanac, by far the finest, most com-
 plete and beautiful yet published, is
 now ready. This remarkable book of
 near two hundred pages, splendidly il-
 lustrated with charts and half-tone en-
 gravings, goes as a premium to every
 subscriber who pays one dollar a year
 for Prof. Hicks' journal, Word and
 Works. The Almanac alone is sent
 prepaid for only 25c. Order from Word
 and Works Publishing Company, 2201
