### Review Methods.

**Map Review.**—Use a map which includes Palestine, Egypt and Mesopotamia. If you have none, copy one from a teacher's Bible, in rough outline, on a large sheet of paper or a blackboard. Provide circles of cardboard marked "Ja," "Jo," and "Mo." Get the class to pin these upon the places where Jacob, Joseph and Moses lived or visited. For Jacob these will be successively Beersheba, Bethel, Haran, Penuel, Hebron; for Joseph, Hebron, Dothan, Tanis or Heliopolis; for Moses Memphis or Tanis, Heliopolis, the land of Midian, Horeb, Memphis again, the land of Goshen, Eatham, the Red sea. The scholars will take turns fastening on these circles, and as each is put in place something will be told about the event that occurred at that locality. When the class are able to place these circles correctly, removing them and replacing them several times, then take strings, a different color for each of the three characters, and get the scholars to stretch them from one pin to another, to represent the journeys taken by each.

**The Three Heroes Review.**—Each scholar will be asked, a week in advance, to choose one of the three heroes of the quarter's lesson—Jacob, Joseph or Moses—and prepare a five-minute or three-minute essay upon him, to be read the next Sunday. The teacher, of course, will see to it that each hero is treated in about the same number of essays.

**The Four Countries Review.**—Divide the class into groups, each group to study together for this review. There will be four groups each to study one of the four countries which our quarter's lessons have entered—Canaan, Mesopotamia, Egypt and the land of Midian. Each group will be prepared to tell what events of the quarter occurred in its country, and of how that country influenced the progress of the Hebrew history.

## SUFFERED TORTURES.

Racked with Pain, Day and Night, for Years.

Wm. H. Walter, engineer, of Chatsworth, Ill., writes: "Kidney disease was lurking in my system for years. I had torturing pain in the side and back and the urine was dark and full of sediment. I was racked with pain day and night, could not sleep or eat well, and finally became crippled and bent over with rheumatism. Doan's Kidney Pills brought quick relief, and in time, cured me. Though I lost 40 pounds, I now weigh 200, more than ever before."

## Would Take What They Had.

A gentleman purchased at a post office a large quantity of stamped envelopes, newspaper wrappers and other postal requisites.

Finding them somewhat difficult to carry, he asked one of the counter clerks if he could supply him with a small quantity of string.

"We are not permitted by the department to supply string," was the reply.

"Then give me a bit of red tape," was the sarcastic retort.

The string was supplied.

Laundry work at home would be much more satisfactory if the right Starch were used. In order to get the desired stiffness, it is usually necessary to use so much starch that the beauty and fineness of the fabric is hidden behind a paste of varying thickness, which not only destroys the appearance, but also affects the wearing quality of the goods. This trouble can be entirely overcome by using Defiance Starch, as it can be applied much more thinly because of its greater strength than other makes.

### Campaign Against Rats.

The French admiralty is preparing a campaign against the rats which swarm in seaport towns and undoubtedly spread the infection of various devastating diseases in their passage from one country to another on board ship. It is announced that it will soon be compulsory for every vessel entering a French harbor from certain other ports to have all its rats exterminated.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. ## WORKING WOMEN, WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

MRS. PREE MCKITTRICK

Women for the most part spend their lives at home, and it is these women who are willing and ambitious that their homes shall be kept neat and pretty, their children well dressed and tidy, who do their own cooking, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy.

Truly the work of such a woman is "never done" and is it any wonder that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs, a female weakness is brought on, and the struggle of that wife and mother to continue her duties is pitiful.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, is the exact medicine a woman needs whose strength is overtaxed. It keeps the feminine organs in a strong and healthy condition. In preparing for childbirth and recuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assists her to be a good wife and mother.

Mrs. Sadie Abbott, of Jeannette, Pa., writes:

"I suffered severely with pain every month and also a pain in my left side. My doctor prescribed for me but did me no good; a friend advised Lydia E. Pinkham's Vegetable Compound and I followed your regard to my condition. I followed your advice and am a perfectly well woman. The pains have all disappeared and I cannot recommend your medicine too highly."

Lydia E. Pinkham's Vegetable Compound Succeeds Where Others Fail.

Mrs. Pree McKittrick, of La Farge, Wis., writes:

Dear Mrs. Pinkham: "For six years I suffered from female weakness. I was so irregular that I would go from three weeks to six months, so I thought I would give Lydia E. Pinkham's Vegetable Compound a trial.

"Now I am once more well and can do my work without a pain. Any one who wishes, can write to me and I will answer all letters gladly."

Women should remember that Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of female ills. Every suffering woman in the United States is asked to accept the following invitation: It is free, will bring you health and may save your life.

### Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful.
