Superior Train Service to Pittsburgh.

The **Baltimore & Ohio** railroad offers the public the most convenient train service between **Chicago and Pittsburgh**. The route is via **Akron, Ravenna, Warren and Youngstown, O.** Two solid trains are run every day, both carrying day coaches and new vestibuled sleeping cars through without change.

The **Pittsburgh express** leaves **Chicago** at 3:00 p. m., and arrives at **Pittsburgh** the next morning at 7:05. The vestibule limited leaves **Chicago** at 7:30 p. m., and arrives at **Pittsburgh** the next morning at 11:10. The vestibule limited also carries a **Pullman sleeper** to **Cleveland** via **Akron**, arriving at **Cleveland** at 8:00 a. m.

All **B. & O.** trains depart from the **Grand Central** passenger station, corner **5th avenue and Harrison street**, **Chicago**, the finest and most commodious station in **America**.

Niagara Falls.
Next to the world's fair, all our foreign friends want to see **Niagara Falls**, and in the minds of many, **Niagara Falls** is placed first. One of the first questions they ask an American either at home or abroad is about **Niagara**, but to many of us **Niagara Falls** is too near. Were it on the other side of the world, thousands of American globe trotters would hasten there, who pass it by now because they can go there any time.

The **Michigan Central** has made it, perhaps, too easy of access, for its through trains from **Chicago to New York** and **Boston** run directly by and in full view of the great cataract, and those passing by daylight stop five minutes for passengers to view the **Falls**. The wise traveller however will stop over there as long as his time will permit to view the beauties and the grandeur of the falls under different aspects and from different points of view. The longer he stops the more he will find to repay him for whatever expenditure of time and money he incurs.

If You Are Going

To **THE WORLD'S FAIR** you should begin at once to inform yourself on the subject, so that you may use your time there to the best advantage. You will not be able to see everything—you may see what you are specially interested in if you go there informed at the beginning.

If You Are Not Going

To **THE WORLD'S FAIR** you should do the next best thing—know as much as possible about it. If you can't see it you can at least read about it. In either event you imperatively need a daily paper from the **World's-Fair city**—you need a **Chicago** daily, and
