I hereby certify that the foregoing is a true copy of the delinquent real estate tax list of Cass county Nebraska, for the year 1886. D. A. CAMPBELL, County Treasurer.

Dr. N. Spaulding Smith late of Washington, D. C., the most eminent specialist and orthopedic surgeon of the day has parlors at the Perkins House and will remain only two weeks treating with assured success all chronic and surgical diseases and deformities.

The Tacoma Journal remarks "The Texas robber who made the stage driver give up his Waterbury watch deserves to be compelled to keep the thing wound up."

Not Dead. It was reported that "Bozzarro", the Indian Medicine man, who was here last year was dead but he has returned associated with Dr. N. Spaulding Smith of Washington, D. C. and has parlors at the Perkins House prepared to treat all chronic diseases with guaranteed success. d & w. 1

October is the most pleasant and beautiful month of the year, and it seems to have been made so, that the people could prepare for the savage winter. So if you have any repairs to make on your residence property, now is the time to do it, and, by the way, don't forget to lay the sidewalk.

Bill Nye writes to a bald-headed friend, who asks his advice about hair restoratives, as follows: "Take your hair invigorator money and buy a town lot in a growing town that supports its home paper and advertises and goes ahead and you will be fixed, and a man who is fixed doesn't care whether he has any hair or not."

SCRATCHED 28 YEARS. A Scaly, Itching, Skin Disease without Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago it would have saved me \$200.00 (two hundred dollars) and an immense amount of suffering. My disease (Pso, Ias) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body and got under my nails. The scales would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have the disease over again. I am a poor man, but feel rich to be relieved of what some of the doctors said was leprosy, some ring-worm, psoriasis, etc. I took... and... Sarsaparilla over one year and a half, but no cure. I went to two or three doctors and no cure. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free as a baby's. All I used of them was three boxes of CUTICURA and three bottles of CUTICURA SOLVENT, and two cakes of CUTICURA SOAP. If you had been here and said you would have cured me for \$200.00 you would have had the money. I looked like the picture in the book of Psoriasis (picture number two). "How to Cure Skin Diseases," but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched twenty-eight years and it got to be a kind of second nature to me. I thank you a thousand times. Anything more that you write me, or any one who reads this may write to me and I will answer it. DENNIS DOWNING. WATERBURY, VT., Jan. 20th, 1887.

Catarrhal Dangers. To be freed from the dangers of suffocation while lying down; to breathe freely, sleep soundly and undisturbed; to rise refreshed, head clear, brain active and free from pain or ache; to know that no poisonous, putrid matter settles the breath and rots away the machinery of smell, taste and hearing; to feel that the system does not through its veins and arteries, suck up the poison that is sure to undermine and destroy, is indeed a blessing beyond all other human enjoyments. To purchase immunity from such a fate should be the object of all anti-tet. But those who have tried many remedies and physicians despair of relief or cure. SARGENT'S RADICAL CURE, meets every phase of Catarrh, from a simple head cold to the most loathsome and destructive stages. It is local and constitutional. Instant relief. Permanent in curing, safe, economical and never failing. SARGENT'S RADICAL CURE, consists of one bottle of the RADICAL CURE, one box of CATARRHAL SOLVENT, and one IMPROVED WHEELER, all wrapped in one package, with treatise and directions, and sold by all druggists for \$1.00.
