The Business Department.
THE HERALD is able to state, authoritatively, that the Business Course will be adopted in the public schools in accordance with the original plan, notwithstanding the temporary interruption. Prof. Halsey informs us that about thirty-five have already signified their intentions to attend the night session, thus assuring a class sufficiently large to secure its establishment. In order that it may be known how many will probably attend the night school, those who contemplate attending are requested to notify Prof. Halsey, either personally or by postal, by tomorrow evening, if possible.

THE HERALD hopes to see this enterprise succeed as originally intended, and indications are that it will.

Mr. and Mrs. Smith, Parker, of Ohio, parents of Samuel Parker, who have been visiting in the county the past two weeks, left this morning for Indianola, Iowa, where they will visit before returning home. A. B. Todd Declines.

PLATTSMOUTH, Neb., Sept. 22, '91.
To the County Clerk of Cass County:

I wish to thank my many friends for the confidence reposed in me in the past, as evidenced by the nomination tendered me for the office of county commissioner from the First district.

Having served the people of Cass county in the capacity of county commissioner for the past nine years, to the best of my ability, I hereby decline the nomination so unanimously tendered me by my esteemed fellow republicans, in county convention assembled at Louisville, Neb., Sept. 19, 1891.

Respectfully Yours,

A. B. TODD.

It is reported to-day that the charges against Prof. Ewing were not well founded and that he has been released from custody, but we can not vouch for its accuracy.

MURRAY BREVITIES.

BY PANSY.

Mrs. Dr. Brendle of this place is lying dangerously ill. Dr. Wallace, of Union, was called early Monday morning for consultation. At this writing she is no better but we hope to note her recovery soon.

Mrs. J. A. Walker is enjoying a visit from Mrs. Andrews, of Weeping Water.

We had the pleasure of attending a missionary concert, given at Otterbein chapel, about five miles from this place, on last Sabbath evening. The program although lengthy, was rendered well by most all taking part in it. The house was crowded to overflowing and the evening being somewhat warm made it very uncomfortable for a good many. There was a selection or two spoken which we thought were not appropriate for the Sabbath day as comical recitations are out of the place; but overlooking this and taking it altogether a good program was rendered. After the exercises four young ladies were appointed to take up a missionary collection. The minister in charge offering a bible to the one whose subscription amounted to ten dollars or more which, was won by Miss Lillie Tucker. The whole amount raised being a little over twenty-four dollars which will be used to send the gospel to the heathen in dark Africa. Calico, muslin, and searing apparel was donated by a good many which will be shipped at once by the United Brethren church.

Mr. Jas. Totten, who has been sojourning in Dakota, for about three months returned home last week.

The game of base ball played by Murray against Plattsmouth resulted in a tie. But Murray claims she have beat had Plattsmouth played fairly.

Wm. Hodgens departed for his home in Page county, Iowa, after a two weeks visit with friends.

Hon. A. Root and Geo. Lloyd attended the convention at Louisville last Saturday.

Miss Bessie Walker is attending school in Plattsmouth again this year.

A new compositor has been added to the Banner office.

Miss Florence Crosser is enjoying a visit from her friend Miss LaRue, of York, also her aunt, Mrs. Graham of the same place.

The most delicious peaches we have seen this year came from the orchard of Mr. Lee Oldham. We extend thanks for the delicious ones we were allowed to sample Tuesday of this week, they very near come up with California fruit.

To Coal Consumers.
All those that do not settle their last season's coal bills with me by the 10th of Oct. next will not expect to have any accommodations from me this season of course.

Office and yards 304 South Third street, Telephone, 13.

I always try to have a full line of all grades of coal on hand.

TIMOTHY CLARK.
Plattsmouth, Sept. 22, 1891.

A. B. Todd's Announcement.
It is with regret that we chronicle the fact that A. B. Todd declines to allow his name to be used as a candidate for re-election to the office of county commissioner for the First district. Mr. Todd has served the people of Cass county for several years in a manner very creditable to himself and highly satisfactory to his constituents. He deserves, and doubtless receives, credit for zealously guarding the interests of the tax-payers, and favoring every move calculated to promote the general welfare of the people.

We are informed that the nomination was unanimously tendered Mr. Todd without his knowledge that the district convention was being held an appreciative compliment, worthily bestowed.

As THE HERALD has before stated, the candidacy of Mr. Todd would add strength to the ticket, and while the republican party is amply provided with good material from which to fill the vacancy, it will be necessary to exercise discretion and judgment to select a man as well qualified for the position as A. B. Todd.

F. M. Young, Cass county's most prominent bee man, was a pleasant caller at THE HERALD sanctum to-day. Mr. Young has been confined to his room for several weeks and is just recovering.

Now is a good time to subscribe for THE HERALD.
