More than this, the Liverpool price for foreign tin plate fell after the very first month of the operation of the McKinley bill. The prices stood thus at Liverpool during 1891:

January, \$4.14; February, \$4.32; March, \$4.32; April, \$4.32; May, \$3.77; Ohio, June, \$3.71; July, \$3.71; August, \$3.22. And at the last named rate it F. J. Cheney for the last 15 years, stood during the remainder of the and belive him pefectly honorable

The increased duty went into effect July 1, 1891; so that in January, February and March at Liverpool gist, Toledo Ohio., Walding Kinnan & Tarvin, Wholesale druggist Tole-

the average price was \$4.22. Three- do Ohio. fourths of this was for United States consumption, and the duty nally, action directly upon the blood on each box was \$1.08. But from and mucous surfaces of the system. July onward the duty was \$2.37. Druggist; Testimonials free. which is an increase of \$1.29 per box. Did the Liverpool exporter The Handsomest Lady in Plattsmouth of Boston, it is said, gave away more add this \$1.29, which will have to be paid before landing in New York, to the prices. Not at all. He perior remedy, as it stopped her dropped his price by \$1.10 per box cough instantly when other cough as a compensation to the United remedies had no effect whatever. So to prove this and convince you of its merit, any druggist will give you States consignor, who would have to pay the increased duty.

Nevertheless, the free trade and \$1. papers still are insisting upon it that the American importer "pays the tax, the whole tax imposed by of Roses" if it was a paint or pow-der, of course not. It is clear as the tariff."

#### ARE YOU GOING?

Twenty million visitors, at least, are expected at the columbian exposition; and whether you expect Snyder. A splendid paper in Its action upon the system is rem-Demorest's Family Magazine for arkable and mysterions. It removes AN INDIARUBBER NAVI.

teresting parms after the Sametrag The Ev-Anditor of Indiana Thinks Ironclads Must Give Way to Rubber.

As the man was going out of the big botel he whispered to me in sepulchral tones, "Col. Rice is not right in his magnificent making a map porte upper story - he is clean daft."

having it in charge. A loss wout moon, jound face of Col. James H. Rice, ex-auditor of Indiana, coming from the elevator. He looked perfectly sane, and I asked him who his fusely illustrated with picture of friend was that had just departed. "That man," said the colonel, "is a the favorite trees planted in concrpromoter and has not given me a moent sections of the United States, so ment's rest since I arrived in the city. accurately deline ated that each may I've just let him in on the ground floor be easily recognized when met with; of an idea of mine and have shown "German without a Master" furnishhim illustrations of it. I offered to have him elected vice president of a es invaluable suggestions for the company that is not formed. If my study of that useful language; idea is put into execution it will revo-"The International Order of the lutionize naval warfare, and an iron-King's Daughters and Sons," a paclad will be as harmless as a barge per by the General Secretary of the carrying a load of Sunday school ex-Central Council, Mrs. Mary Lowe cursionists."

The colonel invited me to his room, where I saw a number of illustrations in the rough of queer looking ships. I Snap Shot at Washington Etiquette" furnishes an insight of the rules that govern society at our national capital; "Easter Legends and Customs" is specially interesting, is protected with rubber seven feet in and "Easters Novelities" furnishes thickness and with enough give or suggestions for all the easter gifts elasticity to it to send the largest ball one may want to make. Besides, ever fired against it bounding back into the water. I admit that the com-mon rubber is not of sufficient toughness to resist the impact of the ordinary cannon ball, but mind you the rubber I intend to use is not common. Every man who makes an innovation and relegates established methods to the past is in the beginning considered a crank. But I do not mind any little epithet of that kind."

"What is the tall spire in the ves

"That," said the scientific colonel, "is the lookout. It is a tower that can be telescoped in a second to the surface of the vessel's deck and erected in the same space of time. It is 800 feet high. There is only one smokestack and it can be taken down in a minute. Cannons? Ah! that is a secret, but I shad tell you because you are not a promoter. In the rear of the vessel there is a turret tower with four destructive guns. You don't see it, eh? Well, neither do I, but if the enemy appeared by manipulating machinery here would rise from the hull of the vessel a turret, protected by indiarubber and ready to sink a fleet of ironclads. Everything on the deck of my indiarubber vessel can be dropped below in a few moments.'

"Have you ever studied that branch of mathematics which treats of trajec-

The colonel had, and added: "My boy, a ball dropped on the deck of one of my vessels would bound a mile high. There is absolutely no powder or force strong enough to drive a ball into the rubber."

"One more question, colonel. How long have you had this peculiar elastic idea?"

ond attack of the grip this year," says Mr. Jas. O. Jones, -publisher of the leader, Mexica Texas. "In the "It came to me as an inspiration five years ago. I was in Chicago and a weazened faced man with a voice that 23 latter case I used Chamberlain's 23 Cough remedy, and I think with sounded like the noise made by tearing calico made life miserable to me. n considerable success, only being in He had a scheme and for a week he bed a little over two days, against became my shadow, trying to get me ten days for the first attack. The to go into it. I worked out the indiasecond attack, I am ratsfied, would rubber vessel and for three hours I have been equally as bad as the earnestly explained to him the fortune first but for the use of this remedy, in it if he would accept the vice presidency. From that time he has never as I had to go to bed in about six hours after being struck with it, said 'scheme' to me again. I have while in the first case I was able to shown it to dozens of promoters and atiend to business about two days before getting down. 59 cent bot-tles for sale by F. G. Fricke & Co. have talked so much about it that I really think some kind of rubber can be made to resist and throw back cannon balls."

How's This! We offer 100 dollars reward for any case of catarrh that can not be "Have you mentioned your idea to Gen. Tracy, secretary of the navy?"
"I am a democrat," said the colonel, proudly. "You wait until a democratic F. J. Cheney & Co. Props, Toledo, president is elected."
