SUNDAY'S STORM.

Death and Destruction  
Mark its Path.

An Unprecedented Loss of  
Property.

The Latest Report.

KILLED AND WOUNDED.  
NEW ORLEANS, April 24.—The  
latest reports from the sections of Mis-  
sissippi visited by the cyclone Sunday  
show eighty-three persons killed and  
about 300 wounded, many dangerously.  
The loss of property is unprecedented.

IN BARNWELL COUNTY.  
CHARLESTON, S. C., April 24.—The  
cyclone in Barnwell county yesterday  
cut a path three quarters of a mile wide  
through Keach's swamp, as if the  
timber had been felled for a railroad.  
Residences, cabins and outhouses were  
swept away from off of ten large  
farms. In most cases all household  
goods are lost.

DESTRUCTION OF LIFE AND STOCK.  
ATLANTA, April 24.—Reports from  
Crawford show considerable damage  
by the storm. Many houses were  
blown down. Many persons were in-  
jured by lightning and falling houses.  
Great loss of property. One negro  
was killed, and several horses, mules  
and cows killed. Thomas Creech was  
blown against a tree, but not  
killed. William Still had two children  
seriously hurt. One had its skull  
fractured.

RELIEF COMMITTEE.  
BEAUREGARD, April 24.—At Beau-  
regard to day all is bustle and confu-  
sion. A gang of men are at work get-  
ting out goods from the wrecked  
stores, and scores of ox teams are  
hauling recovered property away. The  
homeless people got together their  
remaining effects, and are moving them  
in wagons and cars. A construction  
train is receiving the debris. A cash  
relief committee, headed by L. E. Bud-  
well, are systematically at work issu-  
ing rations, distributing clothing and  
furnishing doctors, sent by the New  
Orleans Times-Democrat. Lehman  
and Fitz are, also assisting the  
wounded.

IN MONROE COUNTY.  
ABERDEEN, Miss., April 24.—A cy-  
clone passed through Monroe county  
Sunday, killing some persons and  
wounding many colored citizens seri-  
ously, and carrying away houses,  
fences, bridges and everything in the  
way. A suburb of Aberdeen, con-  
taining twenty-five or thirty families  
of freedmen was absolutely wiped  
from the face of the earth. Three per-  
sons were killed outright, and two  
others have died since from wounds.  
Twenty-five are now under treatment,  
and many in a precarious condition.  
The county jail is converted into a  
hospital. The course of the cyclone  
was southwest and northeast, and  
passed entirely through the county,  
wrecking everything in its path.

## WASHINGTON NEWS.

A Telegram from Van-  
Wyck.

The Otoe Reservation.

Meeting of the Cabinet.

FROM VAN WYCK.

WASHINGTON, April 24.—Finally  
the Otoe Indian lands have been or-  
dered for sale the 30th day of May,  
at Beatrice, to the highest bidder.  
Deferred payments, five per cent. in-  
terest.  
C. H. VAN WYCK.

MORE MONEY ORDER OFFICES.  
The money order system will be  
extended to 333 additional postoffices  
on July 1st, principally in western  
and northwestern states.

THE JEANNETTE INQUIRY.  
The supplemental report of the  
Jeannette court of inquiry, which  
has been received and approved by  
Secretary Chandler, states that the  
court has concluded the examination  
of the Jeannette survivors who re-  
cently returned from Siberia, and  
that after mature consideration of  
all the evidence adduced, the court  
sees no reason to change or modify  
the conclusion reported February 12.

THE OTOE RESERVATION.  
By directions from the secretary of  
the interior the remainder of the lands  
of the Otoe and Missouri Indian reser-  
vations in Kansas and Nebraska, com-  
prising about 50,000 acres will be of-  
fered at public sale at the United  
States land office, in Beatrice, Nebr-  
ska, on the 20th of May next. Senator  
Van Wyck, who has been instrumen-  
tal in bringing about this sale, has

asked Secretary Teller to send an offi-  
cer from the department to superin-  
tend it, and it is probable that Com-  
missioner McFarland, of the general  
land office, will go to Nebraska for that  
purpose. The land will only be sold to  
persons who shall within three months  
from date of application make perma-  
nent settlement upon them. Claims  
and explanations must be accompa-  
nied by an affidavit as evidence of  
good faith in this respect. Lands will  
be sold to the highest responsible bid-  
der, at not less than appraised value,  
in eighty acre plats, and no one person  
will be allowed to purchase more than  
100 acres. The terms of sale are one-  
fourth cash to be paid in three months  
from date of filing application, and  
the remainder in one, two and three  
years, with five per cent. interest.

CABINET MEETING.  
The meeting of the cabinet today  
lasted about an hour and a half.  
All heads of departments were pres-  
ent, including Mr. Gresham. The  
rules and regulations prepared by the  
civil service commission, which were  
recently submitted to the President  
for approval, were presented by letter,  
and after a short discussion of them,  
a copy was given to each member of  
the cabinet for examination. There  
was some discussion of the question  
whether the national board of health  
on marine hospital service should di-  
rect and control the expenditure of the  
\$100,000 appropriated for the preven-  
tion and suppression of epidemic dis-  
eases, but no conclusion was reached.  
There was also some informal conver-  
sation at the meeting today with re-  
gard to the evidence furnished by  
newspapers that persons in the United  
States are actively engaged in aiding  
and directing the operations of the dy-  
namite plotters in England. This con-  
versation did not grow out of any offi-  
cial correspondence on the subject, for  
no document of any kind relating to  
it was presented, but there is reason  
to believe that a hypothetical question  
was framed and discussed, and that the  
members of the cabinet generally ex-  
pressed their views as to what the  
policy of this government should be  
in the various suggested contingencies  
which might arise out of the manifest  
disposition of certain Irish leaders to  
use this country as a means for a basis  
of their attacks by means of dynamite  
and nitro glycerine upon the  
English government and English people.

HAPS, MISHAPS, PERHAPS.  
A Mysterious Disappearance.  
Shortage in Accounts.  
General and Miscellaneous.

INTERESTING DECISIONS.  
CHICAGO, April 24.—The appellate  
court decided today that a certified  
membership in the Chicago board of  
trade cannot be taken possession of by  
attachment.  
SUSPENDED.  
NEW ORLEANS, April 24.—Marks  
Brother & Co., commission merchants,  
of this city, have suspended. Liabili-  
ties probably \$100,000. The available  
assets are believed to be small.  
CAN'T BE FOUND.  
SAVANNAH, April 24.—Jno. H. Rain-  
kin, and his brother and a clerk  
named Cordes, are missing. Assets  
much in excess of liabilities. It is a  
mystery.

WHIPPED TO DEATH.  
NORFOLK, April 24.—Lucy Halsey,  
a negro, was arrested for whipping  
her sister's orphan child, seven years  
old, to death. The child was flogged  
with a cowhide and burned on a stove.  
Her husband was arrested as an ac-  
cessory.

KILLED HIS PARTNER.  
STEWARDSVILLE, Ky., April 24.—J.  
D. Clark, of the firm of Clark & Franks  
of this place, was shot and killed yes-  
terday by his partner, J. I. Franks.  
He had accused Franks of stealing the  
firm's money, from which a quarrel  
arose. Franks shot Clark five times.

POSTMASTER ARRESTED.  
CHICAGO, April 23.—Postoffice In-  
spector Pulsifer notified the depart-  
ment here to-day that he had arrested  
James Cuisin, postmaster at Worth-  
ington, Iowa, on charge of detaining  
mail, and stated that he found in  
Worthington twenty-six registered let-  
ters and a large quantity of ordinary  
mail detained in transit from one to  
eight weeks.

CONFESSION TO MURDER.  
DANVILLE, April 24.—Wm. S. Dod-  
son, arrested at Franklin Junction for  
the murder of a negro, reported yes-  
terday, confesses to hiring two negroes  
to bring him a body for dissection, he  
pretending to be a physician. He car-  
ried the body into an upper room of  
the house occupied by himself, wrapped  
it in bed clothing, poured kerosene  
over it, fixed a lighted candle on it,  
and went away. The mistake was in  
cutting the candle so long that the  
house did not take fire during the

night, it being his purpose to burn the  
house, and have it appear that he him-  
self had been burned, so that the fam-  
ily could obtain the amount of a life  
policy recently procured.

MORE POSTMASTERS.  
MILWAUKEE, Wis., April 23.—Henry  
T. Wright, assistant postmaster of  
Racine, was brought to this city to-  
night by Postoffice Inspectors Stewart  
and King, of Chicago, owing to a short-  
age of over \$5,000 in his accounts. In  
his confession Wright says he began  
taking money when the former post-  
master, also named Wright, surren-  
dered the office to the present incum-  
bent. Money and stamps were taken,  
but none was used for gambling. All  
was used in household expenses. In  
closing his letter of confession Wright  
says: "Begging and hoping that you  
will remember that I have an old  
father, now nearly eighty-two years of  
age, and a good wife and darling baby,  
whom I should have thought of when  
taking the money, I remain, etc., etc." Wright is of a fine family. He is about  
thirty-two years old, and stood high in  
the estimation of Racine people. The  
prisoner's friends say they believe  
he is insane. An aunt recently died  
in an insane asylum, and his sister is  
now treated at the state asylum.
