DR. FISHBLATT

OF THE DES MOINES & OMAHA MEDICAL DISPENSARIES. ON ACCOUNT OF HIS Immense Practice in Plattsmouth, Nebraska, WILL MAKE HIS NEXT VISIT ON **Saturday, May 19, 1883** AND WILL REMAIN ONE DAY, AT THE **PERKINS HOUSE,** WHERE HE CAN BE CONSULTED ON THE **Ear & Eye, Throat & Lungs, Catarrh, Kidney Bladder and Female Diseases as Well as All Chronic and Nervous Diseases.**

DR. FISHBLATT

Has discovered the greatest cure in the world for weakness of the back and limbs, involuntary discharges, impotency, general debility, nervousness, languor, confusion of ideas, palpitations of the heart, dizziness, trembling, dimness of sight or giddiness, diseases of the head, throat, nose or skin, affections of the liver, lungs, stomach or bowels—these terrible disorders, arising from solitary habits of youth—and secret practices more fatal to the victim than the sea-sickness of Ulysses, blighting their most radiant hopes or anticipations, rendering marriage impossible. Those that are suffering from the evil practice, which destroy their mental and physical system, should call with confidence.

NERVOUS DEBILITY. The symptoms of which are a dull distressed mind, which unfit them for performing their business and social duties, makes happy marriages impossible, distresses the action of the heart, depression of spirits, evil forebodings, cowardice, dreams, restless nights, dizziness, forgetfulness, unsustained discharges, pain in the back and hips, short breathing, melancholy, tire- some, and a general sense of weakness, which is felt in the morning as when rising, mental weakness, loss of memory, white discharge in the urine, nervousness, trembling, confusion of thought, watery and weak eyes, dizziness, constipation, paleness, pain and weakness in the limbs, etc., should consult me immediately and be restored to perfect health.

YOUNG MEN Who have become victims of solitary vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of exalted talent and brilliant intellect who might otherwise entrance listening senators with the thunders of their eloquence or wake to certify the living lyre, may call with confidence.

DR. FISHBLATT is situated at one of the most eminent colleges in the United States, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the ears and dizziness, great nervousness, being alarmed at certain sounds, with frequent blushing, and sometimes with derangement of the mind, were cured immediately.

ARREST OF ANARCHISTS. Paris, May 16.—Six anarchists have been arrested for circulating seditious pamphlets among the troops.

NATIONAL LAND LEAGUE MEETING. Dublin, May 16.—A meeting of the national land league was held today. Biggar, member of parliament, said anything from the Pope should be received with respect but at the same time the league should express its views in plain but inoffensive terms. Mayne, also member of parliament, said he wished to take theology, not politics, from Rome.

D'CHAMBERD'S HEALTH. Paris, May 16.—Accounts of the condition of the health of Count d'Chamberd are conflicting. The Union declares that he is well, while the Times says he is seriously ill, and it is probable that his friends are uneasy and are endeavoring to conceal the seriousness of his condition from the public.

A DIFFERENCE OF OPINION. London, May 16.—The head constable at Liverpool maintains that the story of the discovery on a trans-Atlantic steamer of an infernal machine is a hoax. The box only contained brick. A Times correspondent, at Liverpool, however, insists on the truth of the story.

AMERICAN POLK. Berlin, May 16.—The North German Gazette attempts to prove by statistics that the danger of contracting trichinosis from American pork is sixty times greater than from North German pork, and refers to the latest reports of the sanitary officers at Chicago and publications in the New York Medical Journal to prove the correctness of its statements.

FITZHARRIS FOUND GUILTY. Dublin, May 16.—The trial of Fitzharris, as an accessory to the murders of Cavendish and Burke, concluded this morning. The jury returned a verdict of guilty against him, and he was sentenced to penal servitude for life.

Judge O'Brien, in passing sentence, said: "The crime which you were convicted of is morally the same as the murder of Cavendish and Burke."

THE POPE'S CIRCULAR. London, May 16.—The Freeman's Journal, commenting on the Pope's circular, says, his holiness has been misled by emissaries of the British government, who know that if the Parnell party remain unbroken it will hold the balance of power in the next parliament.

PRINCE GORTSCHAKOFF. St. Petersburg, May 16.—The remains of Prince Gortschakoff were interred at the church of St. Zerguis yesterday. The emperor, minister of foreign affairs, and other prominent officials were present.

JERE DUNN'S TRIAL. Chicago, May 16.—In the Jere Dunn murder trial Col. Munn closed his argument for the defense at the one o'clock adjournment, and will be followed this afternoon by Emory A. Storrs, also for the defense. It is probable that the case will go to the jury tomorrow night.

SENDER'S CYCLOPE. Kansas City, May 16.—A Times, Wichita, Kan., special says: Reports of the late severe storm from the surrounding country indicate serious losses of live stock by drowning. Streams are higher than known for years. The Atchison, Topeka & Santa Fe bridge across the Great Arkansas is washed away.

ONE OF THE SMITH FAMILY. Galveston, May 16.—A News Daily special says: A coroner yesterday a verdict of murder in the first degree, and the accused to prison, was rendered against Rev. Henry Smith, a Baptist minister, for killing Deputy Sheriff Day of Henderson county, three years ago in a difficulty over the arrest of Smith's brother for cattle-stealing.

THE DODGE CITY EXILE. Kansas City, May 16.—Luke Short, the Dodge City exile, left for Topeka this morning, expecting to meet the others of his friends, and confer with them there. While not inclined to talk, he seems to persist in his intention of returning to Dodge City, although urged by his friends to defer for the time. If he determines to go on from Topeka, he will not be likely to leave there before tomorrow.

THE GARFIELD MONUMENT. Cincinnati, May 16.—The Garfield monument committee, of the society of

the Army of the Cumberland, held a meeting today, Gen. James Barrett, of Cleveland, presiding. Mr. J. Q. A. Ward, of New York, was selected as the artist to design and complete the monument. A committee, consisting of Generals Barrett, Ceist and McCook, was appointed to visit Washington with ward and select a site for the monument. The committee authorized ward to proceed with the monument, to cost not to exceed \$50,000.

CHINESE CONSULATE IN CHICAGO. Chicago, May 16.—It is announced that the Peking government has decided to establish a consulate in this city to consist of two members, one American and one Chinese, who will devote themselves to the protection of the subjects of the Celestial empire, of whom there are about 700 engaged in various vocations here. Complaints have been made, and the police have raided the resorts of these people indiscriminately, and have thus confounded the innocent with the guilty, and certain of the Chinese have requested a representative of their government to whom they can make appeals.

THOMPSON ACQUITTED. Harrodsburg, Ky., May 16.—Judge Denny spoke on behalf of the prosecution, in the Thompson trial this morning, and was followed by Hon. Blackburn for the defense. The case will go to the jury at 4 p. m. Applause was suppressed several times by the court during Denny's speech. When the jury came in with the verdict the defendant sat between Col. Jacob and his father. The latter was pale with excitement. When the court asked the jury if they had agreed to a verdict the foreman responded, "We, the jury, find Philip B. Thompson, the defendant, not guilty of the charges in the indictment." Then came a shout, and men rushed forward to congratulate the defendant. During the confusion the voice of Phil Thompson, sr., was heard saying: "Thank God! Kentucky's wives can now be protected." The court discharged the jury and adjourned.

SMALL POX. Winnipeg, May 16.—Reports sent out by special correspondents regarding small-pox at St. Boniface are greatly exaggerated. The authorities state that there is only one case in town, and that in the hospital. Two children died day before yesterday, and two other persons, who were reported ill a month ago have recovered. There is considerable excitement over the disappearance of Wm. Kitson, son of Commodore Kitson, of St. Paul, who was stricken down with the disease a few days ago and taken to the hospital. He escaped while his nurse was temporarily absent from the room. He was delirious when he escaped. Men with horses were scouring the prairies all day, but the search was in vain. It is believed he has died, as there were but little hopes of recovery at any rate. There is only one other case in the city hospital. The city offers \$100 reward for the recovery of the body of Kitson, dead or alive.

After the review by members of the society the Army of the Potomac were received by the president at the White House.

THE EVENING EXERCISES. The exercises in connection with the army reunion this evening at the national theater attracted a brilliant audience, which crowded the floors and galleries. an eloquent address. Gen. Sherman being loudly called for, advanced to the front, and made a few remarks which were enthusiastically received.

A general business meeting of the society was held this afternoon, and after the transaction of routine matters, proceeded to the election of officers for the ensuing year. Gen. S. H. Mann proposed the name of Gen. John Newton for president. Major Joseph Steier nominated Gen. Grant. The ensuing debate was carried on amid much confusion, the president being utterly unable to make himself heard. Gen. Horatio C. King, the secretary, essayed to straighten out the matter, and finally the nominations of Gens. Grant and Newton were renewed and balloting proceeded after the appointment of several committees.
