WASHINGTON NEWS.

The Civil Service Commission at Baltimore.

Railroad Accepted, Etc.

A DEPARTMENT OPINION. Adrian, of Baltimore, recently wrote to terday. Postmaster General Gresham that the civil service commission was in communication directly with members of the local examining board at Baltimore, who were employees in his office, and that in his (Adrian's) opinion, this was detrimental to the discipline of his of impropriety whatever in the civil service commissioners communicating di rectly with the local board of examiners relative to their duties under law, notwithstanding that they are employs in his office. The postmaster genyours in an official sense, but in respect the civil service law and the rules as members of the local board of examin-

ers, the are, and should be independence any authority except that created and conferred by the law. Every object and spirit of the law requires that they should be entirely free from any interference or supervision on the part of the been office in matters relatto their civil service duties. In this livery barn. Nobedy was injured. case I think it entirely proper that the One large building occupied as a bilcivil service commission should com- liard hall, was picked up and entirely CITY, of London, municate directly with them in mat- turned twice around, and set down ters relating to their duties as members some yards away uninjured. MISCELLANEOUS NEWS.

Chicago.

A Cyclone in Kansas.

MORE PAUPERS. Boston, July 11 .- Two hundred assisted emigrants arrived this morning. Most of them had money and are bound

YELLOW FEVER. Galvesion, July 11 .- The fever strick en bark Salome, fully supplied with every requisite, sails for Hampton Read

The weather is intensely hot. ANOTHER BANK ROBBERY. Albany, June 11 .- The bank of Franklin was robbed early this morning of \$800 in silver. Two families living near were found gagged. The safe was blown after two hour's work The burglars took out nearly the whole the papers. The money of the bank was in the safe.

DENNIS KEARNEY'S MEETING. Chicago, July 10 .- An open air meeting was held tonight, at which Dennis Kearney, of California, was to speak. Owing to illness however he did not ap-

pear. Instead, however, Stephen May bell, of California, Kearney's condition, spoke upon the solution of the Chinese question in California and the plan which Kearney and he were urging for increased wages for working men, and fixing railroad tariff and charges in other lines of business on this increased pay as a basis. Between 400 and 1,000 persons were present.

TROUBLE ON A TRAIN. Greenfield, Ill. July 11.- On Tuesday night, four harvesters boarded a freight train at Whitehall, twelve miles north of this place, to steal a ride. While at this station four other men boarded the same car apparently for the same purpose, but after the train was in motion they drew their revolvers on the first four men, and after making them de liver what money they had, drove them off the running train. One man named Patrick Wright feil headlong and was killed. The four tramps responsible for Washington, July 11.-Postmaster the deed were arrested at Brighton yes-

A COLLISION. Titusville, Pa, July 11 .- An excursion train from this city, containing about seventy five members of Masonic loages, while returning from Jamestown, collided with a freight train on the Buffalo & Southwestern at two this OPERA HCUSE
fice, and contrary to custom, which requires official communication to subordinates to go first to the heads of departments. The postmaster general has replied to Adrian that he sees no loss, another brakeman. No one was hurt on the excursion train. The engineer and fireman of both trains saved themselves by jumping. Both engines were smashed to pieces, and many freight cars. The force drove the excursion coaches back twenty-five feet, themselves by jumping. Both engines eral says: "They are subordinates of but they kept the track. Colby's limbs were crushed to a jelly. Gates, conto the duties devolved upon them by ductor, was roasted in the ruins. The cause of the accident was the failure of the engineer of the freight train to obey orders.

A BRUTAL MURDER. Des Moines, July 11.-The particular, of the murder of R. L. Clingan, of Pot. vesterday, as far as are known, are as night when two men came to the door and said "Good evening, gentlemen," and without any warning one fired at Clingan, the ball taking effect just below the left collar bone. He died instantly. There is no clue to the perpetrators. Squads of men on horseback spent the night scouring this region There is a report that the pursuers are close on the track of the murderers two horses they had stolen and ridden nearly dead having been found abandoned, and two more horses stolen there. It is generally supposed that this is the second chapter of the mysterious murder of Stubbs, mayor of the place, last year, who was shot dead by masked men who entered his bed room. Clingan and he were great friends, and
