THE TELEGRAPHERS.

No New Developments.

Chicago, August 6,-Up to oneo'clock this afternoon no telegraph operators on the railroads out of this city had quit their keys. At the general offices of the Chicago & Alton the statement was made that none of their employes had left up to that hour, and the same was true of all other roads having their headquarters in this city. The officials of all lines have apparently guarded against an emergency, and have arranged to run all trains by printed time tables in case the number of men going out should make this necessary

Chicago, August 6 .- It is very difficult to get any exact or definite information, and very easy to get any The Usual Democratic Maamount of rumor relative to the long threatened strike of the telegraphers. Careful inquiry at the general railroad a single case in which an operator has Gasoline Stoves, left his key today in any railroad office in this city or vicinity, and though it was very definitely understood Sunday Tinware night that operators on the Wabash & Chicago & Alton would be called out 66 General Hardware at noon today, the fact that not a man left his instrument gave color to the general belief that the strike has not yet been ordered for that line or if ordered, has been countermanded. It is now surmised that the order today was not to strike today, but to continue to do railroad business as usual, and merely refuse business for the Western Union, with the understanding that if the compony insisted on sending comnercial business or discharge any operators for refusing, a strike would actually begin tomorrow noon. This seems to tally with a dispatch from St. ed the shooting. The killed are Phil

Mont Claire, Ill., August 6 .- A party of roughs returning from a resort known as Turner's Garden, near this city, yesterday afternoon, entered the grounds of Mr. Levitt, an old and respected resident and proceeded to despoil his fruit trees. THE SUNDAY LAW. St. Louis, August 6.- The prosecuting attorney issued 104 warrants today against those who violated the Sunday law yesterday. All who violated the law the previous Sunday were also reported, but no warrants in their cases. The total number of cases reported shows a far more general observance of the law than on previous Sundays. In the Central police district, the most important section, only fifteen cases were reported, against twenty-five last week, and other districts showed a corresponding falling off in the number of offenders.
