WASHINGTON, Oct. 1.—Lieutenant E. Garlington, of the Seventh cavalry, who commanded the Greely relief expedition, arrived at Washington this forenoon from New York, and reported at the war department. He visited the signal office, and had a consultation with Captain Mills, acting chief signal officer, and Lieutenant Casey, of that service, on matters relating to the recent expedition.

LUCKY VESSELS. Provincetown, Mass., Oct. 1.—Twenty-three Provincetown vessels were on the Grand Banks during the August gales, which proved so disastrous to French and English fleets.

A DOUBLE TRAGEDY. Summit, Miss., Oct. 1.—A. J. Whitington, sheriff of Amite county, was shot twice in the back at Liberty, Saturday, and killed, by Eugene McElwee. The trouble grew out of politics. Both were democrats. After the murder McElwee was surrounded by a mob, one of whom shot him. He died in ten minutes. Both parties were highly connected.

REMANDED. Chicago, Oct. 1.—Frank Sherwin, the New Mexico cattle rancher, was arrested here a few days ago on a requisition from the governor of New York, was before Judge Barnum in the circuit court this morning on a petition of habeas corpus. The petition for release was denied, and he was remanded to the custody of the officers, who will probably return with him to New York.

A SEVERE GALE. Lexington, Ky., Oct. 1.—A severe wind storm yesterday afternoon blew down the Cincinnati Southern engine house and took off the roof of the First National bank, Press office and Baker & Mason's warehouse. Torshoe's tobacco warehouse was demolished. No lives lost.

PROBABLE SUICIDE. Philadelphia, Oct. 1.—A few days ago a warrant was issued for the arrest of Augustus K. Kreidel, a cigar dealer on charge of appropriating \$6,000 of the funds of the building association of which he is treasurer. Kreidel was prostrated by illness at the time the warrant was served and late Saturday night expired. Kreidel's physicians suggested suicide.

RAILROAD COLLISION. Utica, Oct. 1.—A special to the Ob-

YELLOW FEVER. Pensacola, Fla., Oct. 1.—In forty days two cases of yellow fever were announced. The men were both sent to quarantine and Surgeon Murray of the marine hospital service, from a post mortem on one and the treatment and cure of the other, pronounced both cases malarial fever. This was followed by twenty-five days of unprecedented good health. For fifteen days there has been some malarial fever due to the remarkable drought. Four days ago another case of yellow fever was announced, but was no case since the community was divided about the matter. A large majority refuse to believe the case to be yellow fever. About 100 returned refugees fled again. Very little excitement, but business is prostrated and merchants are suffering greatly.

Dodge City, Kansas, October 1.—Harry Donnelly, the barkeeper employed at Donahue's saloon and one Dean, were brought here from Coolidge, the scene of the train robbery, and lodged in jail last evening. All are very reticent, and refuse to be interviewed. Marshal Matthews and Mr. Sutton, attorney of the road think the circumstantial evidence against Dean very strong.

THE GRAIN TRADE DEMORALIZED. London, October 1.—The Mark Lane Express, in its law review of the British grain trade the past week, says: The cold and wet weather has hampered the gathering of the harvest and has also been very unfavorable for the thrashing of grain.
